1971 HOMOSEXUAL NATIONAL CLASSIFIED DIRECTORY

Second Edition

This is a current directory of selected businesses and services that may be of interest or value to homosexuals. To the extent there is a homosexual community in the United States, the agencies compiled herein supply the needs. In some categories such as the numerous bars and baths the editor has made an effort to list the most popular; an attempt has also been made to make the selection as representative of every taste and pocketbook as possible.

The Service and Social groups comprise the homosexual movement as it exists today.

consultants in the field of homosexuality

Offering the following services to persons and organizations seeking knowledge about homosexuality:

*Speakers Bureau* Qualified speakers are available to church groups, school classes, clubs, hospital personnel, etc. — to speak on such questions as: sexual freedom and the homosexual, law reform, sociological aspects of homosexuality, religion and the homosexual, the lesbian.

*Homosexual Information Center* A clearing house for exchange of current discussion, legislation, court decisions, reports, research in the field.

*Special Library* A collection of the most worthwhile books, clippings, tapes, papers, etc. covering the subject. The library staff has prepared a bibliography (now in its second edition) which is available to the public and which is in use in over 1000 public, private, college and church libraries today.

*Counseling and Referral Service* Counseling is available to homosexuals, their friends, parents, employers, teachers, etc. Where the need exists referrals are made to competent attorneys, medical doctors, psychologists, ministers, etc.

*Experienced Office Staff* Two full-time, volunteer staff members, both of whom have college degrees (USC, LSU) are well known to Southern California residents thanks to frequent tv appearances. The editors of *Tangents* magazine are the most experienced of any in homophile publication. Staff writers include those with published books and countless articles to their credit.

*The Committee to Fight Exclusion of Homosexuals From the Armed Forces*, with headquarters in Tangents offices, provides special guidance for draft-age homosexuals on the problem of military service.
