TELE AUCTION

Channel 8, KHOU, Houston's public television station will have its sixth annual Tele-Auction May 1-9, 1976. Art will be a major factor with two special nights devoted to it, Saturday, May 8 and Sunday, May 9.

In the Art Exhibition the Channel 8 Tele-Auction will award one prize, the production of a thirty minute television documentary on the winning artist and his work. The program will be broadcast on Channel 8 on a date to be determined after the Tele-Auction. Only works donated by individual artists will be included in the competition. Works donated by galleries and private collectors will not be included in the judging. We hope the thirty minute documentary will provide an incentive for Houston area artists to select their very best works for donation to the Tele-Auction.

The award winner will be announced at the Art Preview Party which will be held at the 1100 Milam Building, April 21, 1976, from 6 to 9 p.m. The exhibition will be open to the public from Thursday, April 22 to Tuesday, May 4.

Due to the cooperation in the past of so many galleries, collectors and artists, art has been the most successful of all categories of the Tele-Auction. Because Channel 8 is a great asset to the community and because of the publicity you will receive, we hope you will want to participate in this historic and exciting event.

In the next few weeks, we hope to receive many of our area artists to select their very best works for donation to the Tele- Auction.

PLANTATION FOLLIES

The Old Plantation Follies featuring Tiffany Jones will have its final showing Sunday night. Appearing with the "Texas Torpedo" is Lana, Eartha Kitt, and Kitty Keye.

Opening time is 9:15 p.m. There is a $1.00 cover, with all bar drinks half price.

HOMOSEXUALS ORDAINED?

The Rev. Billy Graham has come out in favor of ordaining homosexuals as ministers if "they have accepted Jesus Christ and have turned away from their sins. After repentance and training, each should be considered on his individual case."

The well known American Evangelist made his comments at a news conference in Belgium, prior to his first crusade in that country.

DEPARTMENT RE-OPENS

The Depository Club, 2608 Pecham, Houston, has opened its doors after closing for three days for remodeling. The management said they had closed to "clean up their act." That is to clean and repair the bar with the necessary work and is unable to be completed overnight.

Now open in the back of the main floor area is C. J.'s Boutique. C. Harrington, the former Mr. David, brings the latest in fashion with convenient shopping hours made for you. Upstairs, a new TV lounge has been put in. Overlooking the main room and dance floor, cruising has never been made easier. But of course, the new dance floor and light show shouldn't be neglected either.

In all, the Depository has "cleaned up their act" and once again offers the finest in disco along with one of the cleanest clubs around.

Dear Aunt Sofa:

I am in my mid-thirties and am considered sexually normal by all who know me. I have high moral standards; have always been considered straight but personally consider myself bi-sexual. My sex life has always been exciting. My problem is that ever since I was a child, I've been interested in other men's penises. I have fondled and looked at many young men's penises, and some have also played with mine. However, I have never, masturbated or been masturbated by another male in public toilets, nor have I done these acts with someone I didn't know well. Also, if the boys weren't interested in me, I'd leave them alone.

I do like the opposite sex as well and am attracted to pretty girls just as any normal man, but I just really like seeing and fondling penises. I'm not interested in doing fellatio. I'm wondering if I am some sort of freak. I'm especially interested in young men with large penises - I do not approach underage boys. (My penis is about 6 1/2" long, which I assume is an average size.) Is it possible that I'm a homosexual?

ADVISE:

What you describe is very possibly some controlled expression of homosexuality which you obviously do not want to develop any further than you have.

You manage the extracurricular interest of your sex life quite well, it seems to me. You know what you want; you know where to go to find the special outlets you are seeking; you know whom you want to be with, and you only relate to those who want you, or want to be with you. You feel enough concern not to hurt or demean yourself or others who mean something to you.

You are over 30 and have been doing what you're doing quite a long time. Why do you suppose now that you are starting to worry about it? Or has it always worried you?

Why should the label "homosexual" seem so terrible to you? What is there about the word to cause you so much anxiety? It seems that so long as you don't refer to your particular kinds of activities as homosexual you are able to rationalize them quite well. I do understand that in the U.S. most males feel very threatened when they think that their conduct or anything about them, for that matter might seem homosexual. It would certainly be a great relief if you could get rid of your prejudices in this matter, wouldn't it?
