THIS WEEK ■

Welcome to DAVID'S homeland, the South, and all the fun things we have to offer! Whether you're here for the first time or on a return visit, we hope you'll enjoy your stay and visit many of the funthings, people and places advertised in THIS WEEK WITH DAVID. You'll find this complimentary guide with it's accurate listing of establishments catering to gays easy to follow on it's compact tear out-page. Take advantage of the advertised specials designed for your enjoyment on these pages and, if you should be moving to the area, let our weekly classified section find you a place to live, a job, and possibly a much-needed article or a new friend. We sincerely hope you enjoy your stay, no matter how long and that we will have been of some assistance in showing you a good time. You can return the favor by simply mentioning to our advertisers that "You saw it in DAVID." Thank you.

It was clearly Emore's night! Daphne Delight thrilled the crowd with her comedy routines....they loved her. Miss P from Orlando added her truly professional touch with a superb impressionistic portrayal of Kathryn Hepburn as Madamoiselle Coco Chanel....the audience thought they would be bored and ended up giving the production a standing ovation. Laurie Del Mar looks better than ever and did a commendable job as Barbra, Cher and Liza. Noly Greer showed she still has the magic it took to become the reigning Miss Florida....but when Emore hit the stage as Shirley Bassey, nothing else

seemed to matter....Keith's seventh anniversary show turned into a warm "Welcome Home" reception that apparently surprised even Emore...A special "In Concert" performance at Keith's by Emore is scheduled for Sunday, October 26th emceed by Daphne Delight....you can be sure the place will be just as packed, the show will be dynamite and the "roar of the crowd" will raise the roof again....coming up this week are; Oct. 19th...the Locker Room's First Anniversary Celebration. ...all lockers - only \$2, entertainment - free, Jeff - reasonable....Oct. 19th...

ROUND ATLANTA WITH BILLY JONES

Well, here we go again, 'roun' town this week there has been two openings. ...the Sting is back in full swing with a new paint and light job and a new manager....Lou. "The Ratman" is the deejay spinning 'em and there is no cover. John Curtis and Woody at the bar for some of those good drinks...Good Luck Fellows....Now, at last, we will have a chance to see those real good gay movies that we've been reading about but never got to see unless we left town. Ron Beazley has opened the After Dark Cinema. The first feature is Eroticus, the history of the Gay Films. It's in living color and done very well, very well, indeed. Ron promises to bring new films every two weeks to be shown on a regular size screen. This is a must if you like movies and these, I promise you, are better than ever. Congratulations Ron...see you there (P.S. Ron, please call Mark in Hollywood as soon as possible...he has something for you).....Mr. Gay Atlanta, Tony Romano, will be on stage at the Sweet Gum Head each weekend singing his heart out. He is now taking his singing even more seriously and will be accepting out of town engagements. As he told me, "Have voice, will travel"Hot Chocolate and Kelley are there with Rachel and the cast...their salute to the '50's is to be on this week and should be a great show....Brenda Dee is doing a guest spot at the Onyx and I must say she's really got it....The lusty, busty bombshell really gives her all... We just love her...Miss Onyx, Vicki is back on stage after her illness and is looking ever so lovely....Phyllis Killer

and Criss Cross are carrying on like mad at Peyton Place...Hot time in Hotlanta.the Locker Room had a "Thank You Party" and Robbie and Steve went all out for it. The guests had much fun at the games and took the drinking and the gorgeous buffet very serious...I just loved it, especially the eating...if you know what I mean....Speaking of eating well, stop in at the Cove for their buffet on Saturdays and have one of those grilled hamburgers from the patio.Mother's has really got it going and everyone has a great time there. Seen there, for real, last week was T.V. personality and songstress, Cher with Greg Alman, dancing and not being bothered by anyone. Then on Saturday nite, the mad singing group LaBelle, was there and caused quite a stir....Mother's is planning a great Halloween Costume Ball with cash prizes including one for the best "Mother" costume....look out Maudie Frickett!.....more about that next week....They're lining up outside now to get into Back Street...no wonder....it's truly beautiful....Club South has gotten growing pains and the walls are tumbling down...Chuck Zeller has a new physical fitness program to go into effect soon....I hate to report that Jim Bailey had to cancel his show here due to illness but has been rescheduled for the first of the year....Club Ill is still going round and round with the very latest hits and dancing still tops there....So here it is, and next week I'll give you the dope on the big parties planned for Halloween..so til then, it's back to the sewing machine for me.....

The Campaign to Elect Jack Campbell to the City Commission has already recruited over 100 volunteers to help put Jack in office. As Election Day draws nearer and nearer, a call is going out for more. Volunteers are needed to help drive those without transportation to the Polls, to help canvas votes, serve coffee and help out with the million and one things a campaign this size requires. If you're available....even just for a short while...you're welcome. Call Mike Smyser at 442-8882. You'll be glad you "got involved"...speaking of voting this year, if you plan to use an Absentee Ballot because you may not be in town November 4th, you must send in a request to the Supervisor, Board of Elections at 1400 Biscayne Boulevard now...
