VOLUME THREE, NUMBER 37  
JUNE 3 through JUNE 9, 1977

As we head into the home stretch on Dade's Controversial Ordinance voting, a grateful expression of "Thanks for a job well done" goes out from the gay community to (top row) Len Matlovich, Michelle deMilly, Jack Campbell (bottom row) Jim Foster, Mike Scott and Ethan Geto as well as all of the unnamed, hard working volunteers. We're all very proud of the efficient and tasteful way they handled this campaign.

# The Battle is Over...

Almost...

Except for the most important part - - the voting.

Many of us have given our time, our energy, our money, to help achieve a great victory on June 7th.

But we all have lots of friends and colleagues who - - while their hearts are in the right place - - just might be a little forgetful on June 7th.

Like they might forget to vote.

Or maybe they don't forget, but think, "Everybody I know is voting, I don't have to bother."

Forgetting, or leaving it to the next guy, would be a tragedy.

Because if there is one thing we know, we know this is going to be a close election. If all our friends and sympathizers go out to vote, we will win.

That's what our polls tell us and that's what our guts tell us. So don't let anybody you know cop out on this one.

Be a little pushy. Remind people. Bug them. Ask them if they have set aside enough time to vote on June 7th.

And, of course, don't forget the most important person of all. YOU!

**BULLETIN: YOU AND ALL YOUR FRIENDS ARE WELCOME TO JOIN WITH THE DADE COUNTY COALITION FOR HUMAN RIGHTS AT OUR SPECTACULAR VICTORY PARTY ON THE EVENING OF JUNE 7th AT THE FONTAINBLEAU HOTEL, 4441 Collins Avenue on Miami Beach. COME AFTER 7:30 P.M. FOR A SPIRITED EVENING OF CELEBRATION.**

**VOTE AGAINST REPEAL ON JUNE 7th.**

In love and hope, this message was brought to you by the Policy Steering Committee and the Staff of the Dade County Coalition for Human Rights, Jack Campbell, Chairperson.

PREJUDICE AND DISCRIMINATION ARE SERIOUS MATTERS.  
 THEY STEM FROM FEAR AND HATE.  
 AND, SOMETIMES, THEY HAVE TERRIBLE CONSEQUENCES.  
 LET'S STOP BIGOTRY  
 FROM RAISING  
 ITS UGLY HEAD  
 IN DADE  
 COUNTY.

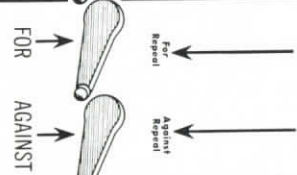

## VOTE AGAINST REPEAL OF HUMAN RIGHTS ON JUNE 7th.

### AUTOMATIC VOTING MACHINE SAMPLE BALLOT

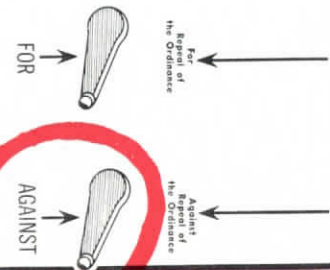

**CHARTER AMENDMENT NO. 1**  
 Shall subsection (A) 13 of the Citizens Bill of Rights (on introduction of any article to the Dade County Home Rule Charter), relating to financial disclosure, be amended to provide for the annual (rather than monthly) filing of outside income reports by all full-time employees and assigned employees unless the County Manager or City Manager, or any of their subordinates, reports (see 917 individual employees or groups of employees)?

**CHARTER AMENDMENT NO. 2**  
 Shall Article 6 of the Dade County Home Rule Charter relating to the Metropolitan Court be repealed?

**QUESTION**  
 Shall Dade County Ordinance No. 77-4 which prohibits discrimination in the areas of housing, public accommodations and employment against persons based on their affectional or sexual preferences be repealed?

VOTE  
 TUESDAY  
 JUNE  
 7th

"Discrimination in any form can no longer be tolerated in America. When the rights of one section of citizens are not guaranteed, the rights of all citizens are threatened. Many who support Repeal of the Ordinance display the same attitudes as the opponents of Civil and Human Rights for Blacks a generation ago. Their efforts would be better directed toward expressing humility for failing to be compassionate to fellow human beings."

Rev. Irvin Elligan,  
 Dade County Community Relations Board  
 and New Covenant Presbyterian Church

In the cause of freedom, we have to battle for the rights of people with whom we do not agree; and whom, in many cases, we may not like. These people test the strength of the freedoms which protect all of us. If we do not defend their rights, we endanger our own.
