Fort Worth Gay Pride Week Association

PO Box 3235 / Fort Worth, Texas 76113

Dear Fort Worth,

As another year of work draws to a close and Pride Week '85 begins I am amazed at the continued growth we have experienced in this past year. We have seen some dear friends leave us only to be replaced by new friends who are proud to work for Fort Worth. The GPW committee members have worked for the past year to make this the most successful week to date and we feel that we have accomplished our goals. Other cities around the nation have contacted the Gay Pride Week Association of Fort Worth to ask for advice on how to establish and plan their Pride Week activities. What a wonderful feeling to know that people from all over the country have heard about our celebration!!

We have had the love and support of the bars, organizations, churches and many of Fort Worth's finest entertainers. We have worked closely with the City of Fort Worth in relocating our picnic to accommodate the anticipated crowd. This past year has been one of growth, painfully slow at times, but we have continued to progress forward and keep our spirit of pride alive and our visions of the future intact. While other state wide pride committees have experienced personal and financial problems, Ft. Worth has not had to deal with these types of conflicts. As in the past, GPW '85, has been financially solvent and has fulfilled all of its obligations.

Gay Pride Week is not the only time that we express our pride in Ft. Worth but we can all learn from this week. We can all take a minute, an hour, a day or a lifetime to stand up and say that we are gay and proud. Gay Pride Week symbolizes our continued struggle for justice and equality and our support of our gay brothers and sisters who fought for gay rights at Stonewall. This celebration is the heritage of all gay people and it is our time to be proud of who and what we are.

In closing, I would like to thank each and every person who helped make this week possible. We all owe a debt of gratitude to the committee members who stayed up late nights, made telephone calls, sold ads, T-shirts, Buttons, and the spirit of Gay Pride Week. A very special thank you to all of the bar owners and entertainers who donated their time and talent. Most of all THANK YOU all my brothers and sisters for it has been you who have supported and given to GAY PRIDE WEEK '85. We are Alive with Pride in Fort Worth, Texas.

Sincerely,

Sharon Huber
President, GPW '85

**WHAT IS THE
COURT SYSTEM**

The Court System is a social community-service organization. When the system originated in San Francisco over 18 years ago, it was strictly 'camp' fun and from that beginning we derived our 'camp' titles ... i.e. 'Emperor and Empress' (those who serve for one year as the presidents of our organization); 'Coronation' (a gala function held once yearly at which time we elect our new officers); etc. As the elected officers of our organization, our primary goals are to further relationships with organizations and businesses within our community, to hold functions and fundraisers for the benefit of the community, to raise money for charitable organizations, and to help those in the community who are in need of our assistance.

The Imperial Court of Fort Worth has been in existence for over six years and is the oldest and largest Court in the state of Texas. Most major cities in the Western United States

and Canada have a court system in their community. In California alone there are approximately 32 courts. So in essence, we are a chapter in an international organization. Our monarchs attend coronation throughout the country and Canada representing and sharing in furthering relations with outside communities. No one associated with our organization personally receives any monetary gain from money raised at our functions. The money goes directly back into the community as outlined above.

Perhaps the best aspect of our organization is that it is open to anyone and everyone. The court encompasses the entire gay community, and is composed of both appointed and unappointed members, who share equally the same privileges and responsibilities. There is absolutely no discrimination as is evident in that our members represent every aspect of society, both gay and straight. A person's gender, lifestyle, or mode of dress has no bearing whatsoever on acceptance in our group. **Everyone is welcome!**
