Gay Community of Fort Worth

WADS OF FORT WORTH - WADS OF FORT WORTH - WADS OF FORT WORTH

# Fort Worth Gay Pride Week Association

PO Box 3235 / Fort Worth, Texas 76113

Dear Fort Worth:

Once again, we stand prepared to embark on the most successful celebration to date as a result of the time and energy donated by many of our gay brothers and sisters in Fort Worth. I am amazed at the continued growth we have experienced during this past year and inspired by the unity in Fort Worth between the gay men and women working together toward a common goal.

This year's events will span 11 days of activities both in our bars and throughout the community. We are proud to announce the return of such favorites as the bar parties, bowling night, Agape' services, the Oaklawn Symphonic Band performance, and of course our picnic. We are delighted to announce the participation of Mid-Cities MCC, Dignity/Fort Worth, and the newly formed Cowtown Symphonic Band and look forward to their continued support in the future. Another first this year will be the cocktail party at the Holiday Inn where local and state organizations will be represented and GPW will recognize two local community leaders by naming them as Grand Marshalls for 1986. In the near future, many GPW committee members will represent the community during the Houston and Dallas Gay Pride Week parades and events. Once again, we will strive to bring prestigious awards home to Fort Worth such as the Grand Marshall's trophy won at the Freedom Parade in Dallas during 1985.

In 1969, a determined group of gay persons stood together in Stonewall, NY in the first organized defense of our gay rights. The courage of these brave individuals is the basis of the international celebrations known as Gay Pride Week. Just as these proud pioneers fought to defeat a common foe, we must bond together in defense of our current foe known as AIDS. Unfortunately, many of our beloved friends will not be able to join us in celebration this year. We respectfully dedicate this year's Gay Pride Week to the memory of these friends who are gone but not forgotten.

Gay Pride Week is not the only time that we express our pride in Fort Worth but we can all learn from this week. We can all take a minute, an hour, a day or a lifetime to stand up and say that we are gay and proud. Gay Pride Week symbolizes our continued struggle for justice and equality and our support of our gay brothers and sisters who fought for gay rights at Stonewall. This celebration is the heritage of all gay people and it's our time to be proud of who and what we are.

In closing, I would like to thank each and every person who helped make this week possible. We all owe a debt of gratitude to the committee members who stayed up late nights, made telephone calls, sold ads, T-shirts, buttons, and the spirit of Gay Pride Week. A very special thank you to all the bar owners and entertainers who donated their time and talent. Most of all THANK YOU all my brothers and sisters for it has been you who have supported and given to GAY PRIDE '86. We are Forward Together in Fort Worth, Texas.

Sincerely  
With love,

Sharon Huber

## WHAT IS THE COURT SYSTEM

The Court System is a social community-service organization. When the system originated in San Francisco over 18 years ago, it was strictly 'camp' fun and from that beginning we derived our 'camp' titles ... i.e. 'Emperor and Empress' (those who serve for one year as the presidents of our organization); 'Coronation' (a gala function held once yearly at which time we elect our new officers); etc. As the elected officers of our organization, our primary goals are to further relationships with organizations and businesses within our community, to hold functions and fundraisers for the benefit of the community, to raise money for charitable organizations, and to help those in the community who are in need of our assistance.

The Imperial Court of Fort Worth has been in existence for over seven years and is the oldest and largest Court in the state of Texas. Most major cities in the Western United States

and Canada have a court system in their community. In California alone there are approximately 32 courts. So in essence, we are a chapter in an international organization. Our monarchs attend coronation throughout the country and Canada representing and sharing in furthering relations with outside communities. No one associated with our organization personally receives any monetary gain from money raised at our functions. The money goes directly back into the community as outlined above.

Perhaps the best aspect of our organization is that it is open to anyone and everyone. The court encompasses the entire gay community, and is composed of both appointed and unappointed members, who share equally the same privileges and responsibilities. There is absolutely no discrimination as is evident in that our members represent every aspect of society, both gay and straight. A person's gender, lifestyle, or mode of dress has no bearing whatsoever on acceptance in our group. **Everyone is welcome!**

**PARENTS AND FRIENDS OF GAYS** meets every Monday evening at 7:30 PM - Fort Worth Counseling Center, 659 South Jennings Ave., Fort Worth, TX. For more information: call (817) 834-8943.

**W.A.D.S.** (Wednesday Afternoon Drinking Society) of Fort Worth is a non profit organization that proudly sponsors and supports such gay organization as: Gay Pride Week, The Fort Worth Counseling Center, MCC Church. If interested in membership information call 338-0132 or 244-4322.

**40 PLUS MORE** is for Gays and Lesbians 40 and over. 40 Plus is an organization more than just a social event, fun and games, parties, coffee & tea, trips, movies, or a night out bar hopping. 40 Plus is a part of Dallas Gay Alliance. 40 Plus has members who are volunteers, leaders, understanding, friendly, and experienced. 40 Plus offers fellowship, support, friendship and more. We're inviting you to join our organization meeting on the 2nd & 4th Friday at 3920 Cedar Springs, Dallas, TX, (214) 528-4233. "Organized Around Your Interests and Needs."
