## TEA ON THE TOWN BY CHELLI OF DALLAS

All I have to say is thank God for modern chemicals and hairdressers. Thanks to modern technology and Brent, at AKI, I am now a boisterous blond. When they told me that blonds have more fun, I was scared. If I had more fun as a blond than a brunette, I would be in serious trouble. However, I've been blond for a week and, although I have been having more fun, I am still alive. Do stay tuned to find out how much more fun blonds have. As you all know, Saturday is the day to play. Last week I played all day with my good friend Ray. If you haven't taken time to explore the **Crossroads** and surrounding area during the day, you're missing out on some great sight-seeing and window shopping. (And you can believe we did see some sights and we did do some window shopping). Thanks for a great day Ray- and remember, Friends are fun, so go fly your kite.

Hi Fort Worth- remember me, I'm the one that blinded you all with my trusty flash bulbs. I love Big D, but Ft. Worth is a party on Saturday night. The guys and gals at **Vickery Station** know how to party. Everyone from **Shelly** and **Donna** at the front door to **Russ** and **Jim** in the DJ booth had a big smile and the dreaded Saturday night fever. **Dan Bragg**, the new assistant manager made bartending hiatory with the concoction of my favorite new shot--**the snarling, hideous, erotic, multiple orgasm from Hell**. I would also like to mention that **Headliner Lance**, was our gueinia pig and without his mouth this drink would not have been possible. So everyone go to **Dan at Vickery Station** to get a taste of the wild side. Also, congratulations to **Sam**, the new manager. The bar is just fabulous. Thanks for being so great. Hay, Hay, Hay- **Joe-Joe**, you thought I forgot didn't you?

While I'm on the **Vickery Station**, I would like to mention a few words about what a beautiful job **Mickel** did on the benefit Tuesday night. The show

was incredible, the entertainment non-stop, and the faces were old friends. When people can come together, laugh, cry and raise over \$4,000 for a worthy cause, something special is going on. I know that I felt special being there. The show brought together a cast of some of the finest performers in the gay community. If **Tiger Lil** had been there, (in alot of ways I think she was) she would have been proud to see people pull together in her name. Hats off also to **La Folles** for their benefit on the same night. The star-studded pageant was equally special. It is refreshing to see people who care as much as **Ron Davis**.

On the lighter side, for the ladies, **the Den** is now open. If you haven't been there, trot on by. It's a real cozy corner right behind **High Country**. The bartenders are friendly and the atmosphere is warm. So check the Den out before or after High Country one night.

Have you seen the latest fashion craze on the streets? They're glow in the dark bracelets; green, mind you. You can only get one by ordering a **Hot Shot**--a zany new brand of Schnapps. Hot Shots are good, and the wrist glowers are extremely fashionable, so pop by your favorite bar and give them a try.

Down at **Big Daddy's**, **Brawn** and **Treasa** are still carrying on the Horrible Watergun Fight from Hell. **Treasa**, my moneys on you! Don't let me down. And to a certain well-known alcoholic (you know who you are), keep shooting root beer Schnapps and don't ever let the king die.

For those who also got snowed out last Sunday at the **steakout** at **the Hideaway**, I'm going to try again this Sunday. Don't forget to bring your bitchiest line of the week!

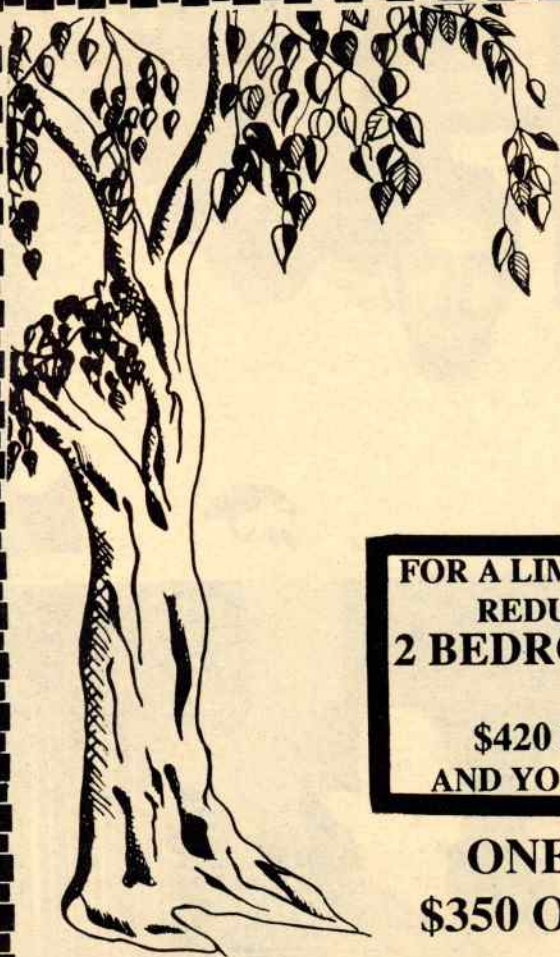

This weeks bitchiest line winner--"American Express; don't leave your trick with it."--Thankx Sean.

# IMELDA'S HEELS

BY IMELDA MARCOS IN HOUSTON.

Hi kiddies. Imelda has had such a busy week and I got to wear fur in Texas one more time--I must warn you though, when you go to Mecca try to avoid Miss Jay. You know, that witch had the affrontery to tell Moi that My mink heels were not the tea. Can you imagine?

NEWSFLASH!!! My dear sister Chola just had a face lift!

This is her before.

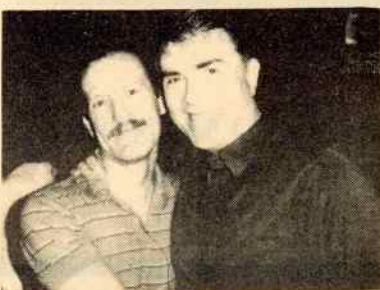

and this is her after.

Don't you think it's a big improvement? She's such a precious puppy, and tells me all the dirt at Chutes. For instance, Miss Nelly Kelly lost the DJ spin off to the butch Mr. Allan Webster (at least when she's not wearing a dress), and The Mr. Almost Butch Contest II had to be postponed due to a scheduling conflict and will be on Sunday the 12th at 6PM. So if you are almost butch, or want someone who is, be at Chutes on Sunday.

Did you miss the Miss Gay Benefit Pageant 87 at the Galleon? It was just too pretty and I've never seen so many heels from Charles Jordan in my life. (Except in my closet.) There were 20 contestants and seven judges.

My favorite judge was Marion Coleman. The poor baby had more lipstick on (from the DQ's kissing her) than she has ever worn in her life. And when the whorehouse girls did "I'm a Butch Dyke" I thought she would fall through the floor. But seriously--Marion was the brunt of some very sharp but loving humor and is loved by all, and the girl had a good time.

The competition was intense for the \$250 cash prize, crown, and trophy and it was a real treat to see some of the contestants react to the pressure. Maria Fingermore was praying for Pickels to win, but it was just not to be.

The winner of the Miss Gay Benefit Pageant 87 was the Whorehouse Girls (the ones with the bones).

and the runner-up was Patsy Cline (shown here with club owner Jay Allen directing the applause).

Speaking of Jay Allen, he told me that Randy Smith really isn't a home wrecker. That as soon as David's lover was back in town he dropped him and found another (that's right, another David) Randy Smith tells me that he is over all this rushing from bed to bed and is going to become a priest (I don't think that the Church is going to be well over Miss Randy getting crossed over and mistaking a confessional for a booth in a dirty book store). Someone is going to have to tell Randy that there is a difference between daddy and Father.

Speaking of daddys, been to the Venture-N anytime lately Well daddy Mike Scott is playing toons and picking up puppies.

While we are on the subject of daddys and the Ripcord's Prime Choice Contest is coming up and it promises to be the best ever.

Randy Jobe tells me that Heaven is featuring theme partys every Sunday with everyone receiving free gifts. JR's 5th Anniversary will be the 16th. The 2nd Annual Pacific Street Art Fair is very soon with 20% of the art sales going to the Montrose Counseling Center. Easter Sunday you can make your own bonnet on Pacific Street. Randy tells me that they are going to set out tables with all the fixins to do you up for the Easter Parade.

There is a TGRA meeting this Sunday at the Barn (do kiss that everloving Buzz for me and tell Ashly I need my heels back).

Been to Roosters? Well the Baja Days are back with live caberet on Wednesday, Friday, and Sunday.

As you know by now, Crystal's has closed--what you don't know is that MENERGY will open this weekend says Tom C. MENERGY will feature disco, Muscles in Action, etc. and should be fun.

Down at the Ranch, Becky and Betsy are planning their first year anniversary party for April 26th with \$1 drinks all day and customer appreciation from 2-4 PM with free cocktails

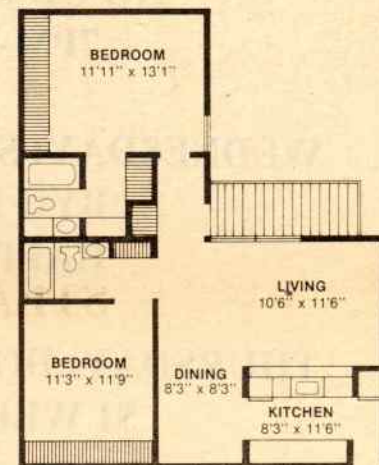

If you haven't heard by now, this Saturday is the Miss Vacant Lot Pageant, along with Maria's bead reading booth, Chutes' dunking booth (Marion Coleman will be in the cage) and sundry other madnesses. It promises to be alot of fun for everyone. See you there!

Love,  
Imelda
