"I think he's very happy out here with his books and his 'special friend' Robert. ... I'm just saying: Two grown men out here, alone, with Hungarian cheese and swim trunks..."

— Lorelei (Lauren Graham), joking about her father moving into the pool house with his valet, on Gilmore Girls

"I just wrote to the *New York Post*. The critic was very cruel, and I said, 'If you want to chat, let me know. If not, you can go fuck yourself.' Criticize my music. I learn from that stuff when it's constructive. But don't say I'm too old to be wearing a mini-skirt, which I wasn't even wearing. He said it was a simile. I told him to shove his simile up his ass."

— Nancy Sinatra, as quoted by Filth2go

Ultra Suede, and kudos to owners Sandy and Robin (along with Darren and Carolyn), who always put together a great shindig. Openly gay actor and artist Thom Bierdz had some of his paintings for sale and pledged that half the profits would be donated to The Trevor Project (the 24-hour nationwide gay teenage suicide hotline). Check out ThomBierdz.com and TheTrevorProject.org for more details.

I somehow lost track of Mr. Gay.com as I was rushing to the *tres* chic Wyndham Bel Age Hotel where songstress Paul Lekakis was appearing in Les Michaels' *Boyz Night Out* at the Ten20 Cafe. I certainly didn't want to get there late and miss Mr. Boom Boom Boom's tribute to Kander and Ebb or the medley from *Porgy and Bess*. Seriously, Paul is a talented and sexy guy who knows his audience well. After all, you don't see Michael Feinstein take off his shirt in the middle of "I Am What I Am."

Speaking of sexy shirtless guys, sometime actor/model/author Michael Bergin has pleaded not guilty to driving drunk at the time of his car accident here in WeHo last July. On the night in question, Bergin allegedly tried to run a red light just as members of an inline skating club were making their way across the street. Michael struck the first skater (named Jenny Armstrong), causing her to fly through the air and land on a nearby sheriff's cruiser. Bergin's spokesperson states that Michael is "very shaken up by this." What about Jenny? One minute she's out skating with her pals, and the next minute she's the hood ornament on a cop car (breaking several bones in the process). You might be "very shaken up," too — perhaps even more than someone who was just sitting in the car.

When Michael Bergin enters a courtroom, it's time to end yet another column. We've got some good news: Next week will be another "Ask Billy" column where I'll answer your questions publicly. You can send your queries to me at Billy@filth2go.com and I'll get back to you before Paul Lekakis gets a role on Broadway.

Until next time, remember: One man's filth is another man's bible.

Libra (September 23-October 22) It'll likely be more difficult for you to communicate inner feelings over the next few weeks. Emotions run high on the 16th. The 18th looks best to run off and hide. Demands on your time Tuesday could push you close to the edge. A sweet phone call on Sunday proves rapturous.

Scorpio (October 23-November 21) Your natural powers of persuasion will shine even brighter through the month's end. It's all right to make demands of others, but don't take advantage of people (remember, what goes around. . .). Your social agenda for the weekend is booked solid. Avoid running on empty Sunday night.

Sagittarius (November 22-December 21) As gamblers say, you're on a roll, Sag. Almost every area of your life is back in balance and thriving. Don't try to lose too much weight on that diet. The entire week proves to be a cash cow of sorts. Take the time so say proper thank yous on Tuesday.

Capricorn (December 22-January 19) Your creative nature and sound suggestions won't be appreciated by those who are less successful. Only offer advice when it's requested. An upcoming change in your workspace turns out to be heaven sent. A formidable opponent can be dealt with on Monday afternoon.

Aquarius (January 20-February 18) The week starts out and ends up quite strongly, but beware of delays and annoying obstacles on the 18th and 19th. Your energy levels go through the roof, especially on Wednesday. Prepare to spend most of the 21st on the highway driving. Keep that cell phone charged up.

Pisces (February 19-March 19) Most of those financial concerns are rooted in past difficulties. Don't make problems where there are none. That natural inner glow is once again starting to shine through. People are noticing how beautiful you look. Isn't it time to open that heart up a bit more?

Aries (March 20-April 19) You'll need to spend much of this week at the drawing board. It's best to plan and plot things out now, rather than make rash (and perhaps expensive) choices. Give that significant other some extra space — you both need time to soul search. Take extra care when doing aerobics.

Taurus (April 20-May 20) Your life for the most part is stable, solid and on an even keel. Aren't you ready to scream from being so bored? Look up the word spontaneity and then do something spur-of-the-moment. Going out on an actual date would be nice. Accept the first invite you get for Saturday night.

Gemini (May 21-June 21) Unlike Taurus, you've been overdoing the dating scene. You're not Baskin-Robbins, Gemmy — even your sign can't date 31 people at once. Why not narrow down the field a bit (get red roses to hand out). That grand opening on Saturday proves to be a social highlight.

Cancer (June 22-July 22) It seems that you and Sagittarius have the best financial vibe this week. Try playing a game of chance on the 17th. A minor sinus/throat irritation may sideline you on Tuesday. Don't hesitate to offer creative ideas during that staff meeting. Finalize plans for that Thanksgiving getaway.

Leo (July 23-August 22) Taurus could learn a thing or two from you. It must be nice to be so in demand. How can people resist that charming manner and dazzling smile? But even beguiling Leo needs a time out now and then. We suggest you take one of these on Monday. The party does have to stop occasionally.

Virgo (August 23-September 22) This is a week where it would serve you better to simply allow events to occur, as opposed to making them happen. Maintaining an even keel should be easy enough. Plenty of advice will be offered, though little will prove useful. You're both overdue for a passionate/romantic interlude.
