No business or organization listed in

operated by homosexuals or specifically  
welcomes their patronage or participation  
unless so indicated by the appropriate  
symbols. Any entry will be deleted on  
request, or on receipt of reliable  
information that it is unwelcome to those

## WHAT THE SYMBOLS MEAN

The following five symbols, which precede the name  
and address, indicate that we have heard from a  
business or organization directly.

- Requests listing as gay/lesbian owned &  
welcomes lesbian/gay patronage
- Not wishing to be listed as gay/lesbian  
owned but welcomes lesbian/gay patronage
- ◐ Partly gay/lesbian owned & welcomes  
lesbian/gay patronage
- ★ Nonprofit, primarily serving gay/lesbian
- ☆ Nonprofit serving everybody

Any entry which does not have one of the above  
symbols is believed to welcome lesbian/gay people,  
but all information, including the symbols below,  
was obtained from indirect sources, such as local  
correspondents, switchboards, advertisements or  
resource lists in publications, other guides, etc.  
Since businesses may change ownership and/or  
policy of welcoming gay/lesbian people, and  
organizations may alter meeting times, we suggest  
that newcomers check out local publications or call  
the local switchboard or hotline where feasible. Look  
for the symbol under the city name:
