## WHAT THE SYMBOLS MEAN

The following five symbols, which precede the name and address, indicate that we have heard from a business or organization directly.

- Requests listing as gay/lesbian owned & welcomes lesbian/gay patronage
- Not wishing to be listed as gay/lesbian owned but welcomes lesbian/gay patronage
- ◐ Partly gay/lesbian owned & welcomes lesbian/gay patronage
- ★ Nonprofit, primarily serving gay/lesbian
- ☆ Nonprofit serving everybody

Any entry which does not have one of the above symbols is believed to welcome lesbian/gay people, but all information, including the symbols below, was obtained from indirect sources, such as local correspondents, switchboards, advertisements or resource lists in publications, other guides, etc. Since businesses may change ownership and/or policy of welcoming gay/lesbian people, and organizations may alter meeting times, we suggest that newcomers check out local publications or call the local switchboard or hotline where feasible. Look for the symbol under the city name:
