*Tonight we begin the journey into our second decade as a community social service organization. The journey has been adventurous to say the least. We have endured the hardships of disappointment and enjoyed the satisfaction of achievement. We have crawled, toddled, walked and, on occasion, raced through ten years of enrichment as one of Houston's most unique organizations.*

*There is one essential ingredient for any organization - the membership. We have been truly blessed through those who began the journey and those who joined along the way. Our court members have an indomitable spirit which enhances their determination to continue their acts of community service in the thirty-year tradition of our beloved founder, the Widow Norton, Empress Jose' I.*

*Tonight we proudly present the continuity of the life of our court, our members. Thank you for sharing in our celebration of the beginning of a new decade in the ongoing history of the Royal, Sovereign and Imperial Court of the Single Star of Houston.*

## Dear Family and Friends of the Court System:

I want to thank all of you for being here to share this special moment in my life. After three years of trying, my dream finally came true. It only happened because of the support and backing that I received from my court members and the community in which I work.

To be able to thank everyone would take another three years and I don't have that much space in this letter. I'd like to thank everyone for being great hosts during my travels this year.

To the Friends and Court of Omaha: All I can say is that you've gotten me to do more things than I thought I would. Thanks to Steve, Linda and Tami for opening up your homes and hearts to me. Thank you to Dwayne, Gerald, Connie and the rest of the gang for always being there and for being great hosts by letting me have a great time in hospitality.

At the top of the list, I'd like to thank Laura Lee Love for telling me to always believe in the Court system and to stay with it. Yes, I can still say thank you! Frankie Foxx: Thanks for getting me involved with the Court. Miss you lots! I hope a little of your charisma still lives in me. To the Past Monarchs: Thanks for paving the way with all of your hard work. Also, it was great to see you out and about this year. For all of those who walk in a Higher Court: I know you all have been my guardian angels helping me through this year. It's true, there are angels among us. To the clubs, organizations and bars: Thanks for opening up your doors and checkbooks this year. Without you, we would have been doing shows on the streets.

To the Male Line: You're the best anyone could ask for. It's been fun having monthly meetings and getting to know each other. Thanks for all of the hard work and support. A special thank you for the best turnabout show in a long time - you were all so lovely. To the Female Line: I know that the shows and the reign would have been blase without the style, grace and energy that you gave us. Needless to say, the beauty was beyond description.

Connie Lee Love: Thank you for all of the support, love, advice and "Just Read My Lips" music. I've come a long way since I joined and you have been a part of it all. Thanks for staying "family". Jeanette Vaughn: Thank you for always being on the other end of the line and for not hanging up on me when I lost my patience. Thanks for your opinions even though you didn't always tell me what I wanted to hear. I now know that all of the laughs, tears and sighs of frustration were worth it.

To our PR's: This year we've asked for a lot and you both have managed to come through with flying colors. Anita, what can I say? It has been a pleasure to get to know you. Thanks for all of the talks. The flight home from Denver was a lot of fun. Jerel, you've

made me very proud with everything you have accomplished; you have grown this year. I know I'll miss all of the notes you passed me at the meetings. As for P.R. Ball I, it will be a big success and hard to follow because you both have worked long and hard on it.

Damita Jo: It's been the longest year of my life and at times it seems like it just started. I didn't know you at all before this year and it has been fun getting to know you. I'm glad we've been able to talk with each other throughout the year and that we haven't once tried to kill each other. Race you to Wassieland!

I'd like to thank my wonderful children for being so patient with me during all of my candidacy and reign. I've had to tell you "no" one too many times because of prior commitments. Well, this year it will be different and we will be able to have a couple of weekends to go on vacation.

Last, but not least, I want to thank the love of my life, my wife, best friend, roommate, lover . . . Kat Dillehay. I've put you through three years of endless running from here to there and you still manage to love me. This last year I put you through the toughest test of our love and it has made us stronger than before. Without all of your support, love, laughs, tears and hugs I would have never made it. You've ironed my clothes to get me to shows on time and you've held my hand at times when I thought I would explode. I know that when you said "for better or worse" you had no idea what that would entail; however, you have managed to stick by me through thick and thin. I can't wait to be able to spend some time with just you and the boys. Maybe we will get to take a vacation this year. Race you to hospitality.

Take care of yourselves and each other. Remember always that we do it for all of those in need and when they smile, we know know we have accomplished what we set out to do.

H.M.R.S.I.M.

The Tenth Elected Emperor of Houston  
The Freindship Emperor

Your Majesties, Honored Guests and Friends:

Howdy and welcome to Coronation XI. I am very honored to have you here in our city. I trust your stay will be a pleasant experience.

**To the International Court System:** Congratulations for being one of the oldest Gay and Lesbian organizations in existence today and for taking a leading role in our nation-at-large.

**To my fellow Texas Monarchs:** Has this been an education I will never forget? I am so happy to have had so many ears to bend this year in our Lone Star state. Austin, Corpus Christi, Dallas, Fort Worth, San Antonio and Waco: Thanks for your support and for the friendships I have made and for those of you who hassled me for years to do this.

**Empress Nicole the Great:** I had so much fun in San Diego and New York with you. **Empress Anita Martini of San Francisco (W.L.M.Q.):** You go girl! Let's get some more members, we have more cities to scare. **The Rocky Mountain Empire:** Wow! The bond we have gets stronger every year. I'm ready to go back to Central City.

**To my own realm:** I know that this has been a rollercoaster year. There have been some absolutely fabulous times that more than make up for the times I was ready to run screaming to another world. **To my Line of Succession:** Thank you for the benefits and fundraisers and for the outreach to our community, both in and out of face. **To my home bar, The Brazos River Bottom:** Bill Havard, you are a gem to know. Thank you for the many times I walked up and said "Oh, Bill". Mike, John and the Staff, I am so happy and proud to be a part of the family.

**To all of our Supporters in the Community:** I told you a leather person and a drag entertainer can raise funds together. **NLA Houston:** You have always been my friends and I respect you very much. I am ready for a "boys night out" party.

**To my Emperor, Deb:** The first woman to be elected a monarch! They said we could not last the whole year; I wish we had bet on that. I am very pleased to say that I was the first to break new ground. Yes, we didn't always agree, but we always took the time to talk it out. I respect you for your guts and for the ability to bounce back.

Thank you all for a fabulous year.

Deb,

It has been a year that I will always cherish and remember. To be your Prince Consort is the greatest honor I could have. I want to thank you for allowing me to be a part of your three years of candidacy and even more, your year as Emperor X. You ran head on into many delays and the day-to-day struggles can't be counted. You laughed, you cried and you pulled out many a hair, but you were able to pull us all through another year. No matter what, during the ups and downs, you always held your head high and wore your crown with great pride. This is your night; may it be grand. I offer my warmest regards and love as you step into Wuzzieland.

May our love last a lifetime.

Love ya lots,  
KAT

P.S. I have the kleenex.

## **WASSIEFIEDS**

To all of you who were there for me, thanks a lot.

Deb

In memory of Kevin mouse. Our thoughts are always with you.

Tony & Herman

"Once a Wassie, always a Wassie". But, does the same hold true for "Once a Rosebud, always a Rosebud"?

Regina - Isn't your chin just a little dark?

Crystal

Deb, Damita & Jerel - Why didn't you wake me up for Denver's Out-of-Town show?

Crystal

To Emperor IX - Luby's never puts out on their buffet table like you do.

Well, Dianna is here! Watch out Donovan, she's a drag queen!

Anita - Girl, you try hard.  
Love & Kisses, Vicki

Glo - I always wanted to know what a "buffet" was like.

Love ya, Jerel

All Past Monarchs -

Thanks for making my first year as a member of the Court a pleasant one and for all of your support.

Jim Halbert

Regina - "A heart is not judged by how much you love, but by how much you are loved by others."

David Christopher

Reign X Female Line -

Vickie finds herself in good company and thinks you are all FUNDERFUL!!

Regina - "Lamb is to rich white men what buying wholesale is to Jews"; so Honey, if you plan on making points . . . lay a little lamb on 'em.

Love, Frank

Is another 10th anniversary similar to another 29th birthday, Laura? Happy Both!!!

Dot & Jeanette

Giovanni & Regina - Better a trophy than a lead pipe. We love you two.

Dot & Jeanette

Damita Jo - Just remember, ELEVEN is bigger than TEN ... ask any man in town.

Crystal

Stella & Connie (ICON) - Your thoughtfulness ranks second only to your hospitality. Thanks.

Jeanette

Jerel & Anita - You have left footprints that will be hard to fill. Hope everything about the PR Ball will shine as brightly as you have.

Dot & Jeanette

Cuervolyn - The size of one's hairdo has NEVER been directly disproportionate to the size of one's I.Q.

Love, Vanna

"Rosebud" Dillehay?

Jennifer - Just teasing!

Crystal
