and Imperial Court of the Single Star, Inc.*

Laura Lee Love

Your Majesties, Ladies & Gentlemen,

On behalf of the Board of Governors, Board of Directors and the entire membership of the Empire of the Royal Sovereign and Imperial Court of the Single Star, Inc., it is my great pleasure to welcome you to Coronation XXII "The 21st Century Leathermen, meet the Medieval Maidens." Tonight we don't just say goodbye to another set of Monarchs, it also brings to end a very successful year of fundraising for ERSICSS, Inc.

First, I would like to thank Emperor XXI Christopher Garrett and Empress XXI Jackie Evelyn Thorne for such a great year. It seems like only yesterday we were having our first meeting trying to figure out what was next for you guys. Now, here we are at your step down! It is amazing how quickly a year can pass. In addition, I would like to thank the entire membership of ERSICSS, please remember without you Christopher and Jackie would not have been so successful.

Next, I would like to tell you what an honor it has been to be your president. I thank the members for their loyalty, and always believing in me, and the decisions we had to make as a board. To the Board of Directors and Board of Governors - Thank You, I could not have done this without you!

And finally, to the members I say "MAGNIFICENT JOB!" Your dedication, continued efforts, and support may go unsung, but I promise they are never unnoticed. Please keep up the fight and always remember as long as people are suffering from HIV/AIDS or Breast Cancer our job is not done, we must continue to raise funds one dollar at a time. I promise, this year, you have made a difference in peoples lives.

In closing, I will coin the phrase we hear so often, "If HIV/AIDS and Breast Cancer effect one of us it effects all of us." Please enjoy coronation, this is your night to celebrate your success! By the way, please have a drink waiting for me in hospitality!

Sincerely,

*Daryl Quijano
President, Board of Directors
Emperor XX*

The Board of Governors, Board of Directors and the General Membership of the Empire of the Royal, Sovereign and Imperial Court of the Single Star, Inc. congratulate our Anniversary Monarchs on Their Continued Service to this Court and this Community.

To My Dear Friends, Family and Fellow Courtiers,

As I started my journey in the International Court System nine years ago in Denver, I found a wonderful organization and made many friends that help others living with HIV / AIDS etc. This year as your current reigning Emperor XXI of E.R.S.I.C.S.S. Houston things have changed. I not only now see an organization and met even more friends but I see the difference that is made daily by the hard work that we do. The money that we raise, one dollar at a time, truly helps individuals live a healthier, longer life living with HIV / AIDS. The daily medications, emotions and struggles one has living with these diseases is made much easier by just the little things we are able to do. With this said, I'm very honored and proud to have served as your Emperor XXI for this year and know that I will always continue to raise money for those in need.

What a year, what a year. Time fly's when you're having fun. Just seems like yesterday I was stepping up and now look I am stepping down. The greatest thing about this year is we all pulled together, worked together and raised a lot of money for our two charities, The Assistance Fund – Insurance Program and The Montrose Clinic – Women's Program.

Start off with my thank you's.....

Jackie My Empress – Well we did it. The way we worked together was unbelievable we were a great team. I am so please to have you as my Empress. Keep up the great work and now we can sit back and really have some fun. But after this year I have no idea how much more fun we can have.

To my partner **Chris Beck**. Wow we did it. I know it was hard but we worked through everything and thank you for being there for me through the great and not so great times. You are my angel. Thank you for all you have done for me this last year. You don't know how much I appreciate it. I love you very very much.

So Fonda, thank you, you know exactly how to work me, that is in a good way. You always ask the right questions to get my brain working. Sometimes I hate you for that, but others I am so thankful. Thank you for being there for me more then you know, you have proven that you are in this organization and that is for the people that need help. Thank you for being such a great friend to me. Love you always. **Daryl, Woody**, where to begin. You both have been such great support. I know we had our moments, TRUST, but we made it through. Thanks for all you both did for me. **Bob Bouton & Tom Browning**. Thank you for the times we sat talking brain storming, or just bullshitting. It was nice to know no matter what you both would be there for me. Thank you for that. Tom thanks for the many many talks and advice. Thanks for being there for me while I was recovering. It meant a lot. **Barbara Walker**- Thanks for being there and encouraging me. You don't know how much everything you have done for me this year means to me. I couldn't of done it without your support. Remember that fundraiser when I first moved here and you embarrassing me, payback girl payback....oh and Yes I will keep eating.....**Larry Spriggs**- Thank you for all that you have done for me. It has been nice to know I can count on you when I needed you to be there. **Shy Anne**- You did a wonderful year. Keep it up. Thank you so much for being there and helping me out. You are a great

friend and for all that you did for me personally. I could ask for a better friend. **DD** – Thank you for your dedication this year. You truly shined in your position as reign treasurer. Thank you also for being there when I was ill. **Chris Valk (AKA Sushi)** – I have to congratulate you on coming aboard and kicking some butt. With only being involved a short time and taking on the task of Double Nickel with Barbara you truly shined. Keep up the great work and if you need anything I am here for you. Thank you. **Lillian**, it's been a great past few years, been fun working with you keep up the great work.

The membership of ERSICSS. This year was so successful because of you. You all are the greatest. There was a lot of work but we had fun while we did it and that's what matters. Thank you from the bottom of my heart for such a great year.

Toddy Oberg, Thank you. Ever since that night at the Eagle sitting at the bar with you chatting and you asked me that question, are you ever going to run? If it wasn't for you I may have never thought about running. I am so glad you planted that bug in my head. Thanks for being there for me.

Lola – Girl how many minutes did we wrack up this past year. I don't even want to know but thank you for being such a great friend and being there for me when I needed you to be.

Boom Boom – it has been so great to really get to know you over this past year. Thanks for the great times and Shy Anne will never ride in the far back seat again while you're driving. Got to throw that in. Love you. **Ashely** - We need to work on that work schedule of yours and get you out more. Thanks for all your support this year.

Angelica- got two words for you "KNEE PADS"

Greg & Gigi- Thank you both for your support this past year. You truly shine when it comes to helping out everyone. Anytime you are welcome and the Beck & Garrett B&B.

Kiki – Girl we did it. I couldn't have imagined that we both would be reigning at the same time. It was a great honor for me to be able to walk at your coronation as my first out of state walk. It was great to see everyone. Thank you for being here for my step-down. Love you always.

In closing one thing I want everyone to remember is that we are all in this for one thing. To help those who need our help in making their lives that much easier in dealing with this epidemic. Those events we raise \$100, \$200 don't get discourage, because that will help pay for ones co-pay for a month on their meds. It's that, that makes all we do pay out in the long run. It's been an honor to be Emperor XXI. Thank you for allowing me the opportunity. It's a year I won't forget.

Christopher Garrett

Emperor XXI ERSICSS

*Her Most Royal, Sovereign and Imperial Majesty
The Twenty-first Elected Empress of Houston
Jackie Evelyn Thorne*

The Very Warmest Greetings to your Imperial Majesties, Honored Guests, Court Members and Friends and Family. Welcome to Houston for Coronation XXII. I want to thank each and every one who has joined me in celebrating this most special evening. Please enjoy our "Houston, Texas" brand of hospitality.

This past year has been beyond all my expectations. The hospitality and love that has been shown to me as Houston's Reigning Empress will live in my memory always. The support of the Houston Community has been both a humbling experience, as well as a sense of personal obligation on my part to represent you to the very best of my ability. I hope you have been pleased with my efforts and how I have done this.

Knowing full well that I will invariably forget several people with whom I have had the pleasure to visit this year (and to all of whom, I abjectly apologize), I would like to thank:

United Courts of Texas:

Corpus Christi: **Lola Bouvier Steve "Boom Boom"** My first "walk" as Empress. You made it a memorable one.

Waco: **Kristina Nicole J Edward Ravensworth Kat Riffin Christopher Carrington Alan "Baby" Riffin** Loved the set decorations and theme.

San Antonio: **Jay Henry Smith Lupita "Mamita" Trevino Angelica Fontaine Micheal R** I always have a great time in San Antonio. Special thanks to Michael R for your hospitality.

Fort Worth: **I Wanna Mann Paul Harshman Sapphire Rose Bill Willis Todd Oberg** With the Empress being one of my Wicked Evil Sinister Terrorists (WEST), and my "dubious reputation" in F W, this is almost my home away from home. Let's party!

Austin: **Robert Hughes Inifniti St James Talor Barin Leigh Bray Greg Dodson Gigi LaRouge** Gigi and Greg, Thanks for welcoming a "Rita refugee". Robert, I was honored to be escorted by you in Albuquerque, my first out of state "walk". Talor, we finally made it, girl!

Dallas: **Shelby Williams Keri Lynn Sommers Wilhemina Wilson Homer "Clink Clink" Hernandez Donna DuMae Maverick John Terrill Dr Bob Jacobson Veronica Morgan Gary Munson Pam Steele Steve Waldren Amazona Rivers Wade Burwell Eartha Quake Taylor Vaughn Marte Akin Albert Hernandez Carey Niles Jessica St Jon Ray Byars Cati Collins Sherri Powers Mickey Elliott Ilean Aloverya Obsidia Moon** My final in-state walk was one that all of you helped to make so special.

Out Of State Coronations:

Albuquerque: **Bill Wendt Erin Del Sol Mercedes DeVoue Ken Felmlee** My other Wicked Evil Sinister Terrorist, Mercedes, beware during the bar tour. Pay backs are h*ll!

Salt Lake City: **Mike Sperry Syren Wynd Krystyna Shaylee Peter "Jester Savas" Paris Mike Kenedy Cartier Kasey Mark Thrash** I need your help to get the Board here to let Houston put on as great a "Brunch" as you all had at the Trapp Door.

Reno: **Mikey LaChoy Rosie Rotten Courtney Corn Felicia Halston** Helping you all out on the patio at the 1099 was a lot of fun and made me feel closer to you.

Chicago: **David James Pia Mess David Graham Fabiola Richard Clough Alexandra St James** Why didn't **somebody** warn me about the parking problems in Chicago? Oy vay!

Colorado Springs: **Marc Callan Dorian Lord Jeff Mitchell Olivia Rynne Marlow Anderson Susan McEntire Ghetta Cannon Lyda Rose Bob Steinborn Ralph Chapman Brown Sugar Kitty Litter Kassondra Miguel Navarro-Garcia Mark Merriman Jack Murphy** My time with you all was enhanced by my opportunity to do the "tourist thing" while I was there.

Ogden: **Steve Flint Delavonte Marquita Delavonte Tim Brown Sherry Jessop John & William Jessop Dionna West Rod Davenport Russell Griffin Tara & Bobbee Gill Maria Harlow Davenport** Next time, maybe we can have enough snow to go skiing? No matter! I had a blast.

Las Vegas: **Carlotta Stollengoodz Y G Aunt Betty Brian Cromwell Michelle Holiday Tago** If I had stayed away from the Blackjack tables, my slots winnings would have gone a long way towards paying for my trip. But you **know** that ain't gonna happen!.

Palm Springs: **Mama Jose, Nicole, Coco, Panzi, Larry** You all put on a great (and informative) 40th Anniversary Convention. A wonderful "last hurrah" before Coronation XXII.

Denver: (Snow Ball) **Lamar Cooper Scarlett Fever Chuck Meachum Kiki Monroe Robert Flores Brad Busby Greta B Quick Michael Graczyk Nicole Sommers The Denver Cycle Sluts Holly Would Sydney Andrews** My other home away from home. This April: I promise!

Out Of State Friends:

Boise: **Chaise Manhattan Taylor Maid** No promises this coming year, but it will happen. I **will** get up there.

Portland: **Alicia Day The Lovely Suzanne Alica**, thanks so much. Suzanne, you were part of what made Palm Springs work as well as it did, although, I doubt you got the praise you deserved.

Salem: **Alyssa Octavia Cameron** I always enjoy hearing about your events on ImpCourt.

Long Beach: **Harmony Lynn Rockafeller** As I have said several times about a certain Empress from Houston (who shall remain nameless to protect the guilty) it **ought** to be illegal to be that darn good looking as a guy and that drop dead gorgeous as a girl.

New York: **Tony Monteleone Robin Kradles** Visiting with both of you was a real pleasure. I plan to be in NYC in May to visit my cousin who lives there. I will keep in touch.

Minnesota: **Heather Haldane** See the comment for Long Beach. Same applies to you.

Alaska: **Jake** My friend, Andrea, in Anchorage, is already starting to prepare for my arrival in September.

Tacoma: **Genu Wine** We really need to get together so I can take dance lessons from you.

Montana: **Tim** After talking to you, Missoula is on my schedule also.

Houston Community:

Your support has made this year so much fun. **Richard & Floyd** from the Krewe Of Olympus: It has been nice to know you both (and your organization) were only a phone call away. The **Triad** of the Houston Area Bears: Although I have not been at as many of the HAB events as I would have liked to have been, that, too, will change this next year. The friendship of the members of HAB has meant so much to me over the years, but especially this one. **Rose Smith & Brian Keever** of N L A- Houston: I have been proud to claim my associate membership to other members of the Leather Community as I have traveled. **Don Gill** of PWA Holiday Charities: Your patience with me is remarkable, and it was comforting to know that I could always count on your support. **The Transgendered Houston Covergirls**: Thank you, thank you, thank you, for your support in my election campaign and during my reign. Now, if I can just get you all involved in more of the court events, my dreams will have come true.

Houston Court:

To the College of Monarchs: Thank you for being there for me when I had questions I needed advice on. It made my job much easier to know I had that source of knowledge and experience to count on. Special thanks go to **Tom Browning** (aka Tabitha Sharp - Remember Tramps!), **Jerry Morin** (you will always be my Marquis), **Ruby Stone** (when they get New Orleans re-built, we will **have** to celebrate), **Bob Bouton & Renee Monroe** (third time's the charm, but you both are special to me), **Larry Spriggs & Selena** (advice - whether I wanted it or not - but usually what I needed to hear), **Shelby & Woody** (we may not always have agreed, but we never were disagreeable, and found ways to accomplish what needed to be done), **Ronnie & Sofonda** (whenever I needed to let my hair down and relax, I knew I could count on you), **Daryl & Stella** (now, about that menu for hospitality.....).

Line & Court Members:

Words fail to express how much I have appreciated your efforts while I have been traveling. You all went the extra mile, oftentimes, without even being asked. My female line: **DD, Ireka, Sabrina, Lillian, Aurora, Cravyn, Samantha, Chante and Serenity**. You all have made me proud of each and every one of you. To the Male line: **J J, Joe E, Chris V, Joe M, Tony, Jim C, Stacy and Chris P**. Thanks for working so hard with "my girls". Last but not least, **Crystal Rae**, your accepting the title of Czarina has meant more to me than you know. **Bob Skinner**, non illegitimi carborundum est.

I P R' s:

Chris Beck & Shy Anne, working with you both has been a delight. Knowing that I could rely on you to "cover for me" when I was away, made traveling much less stressful than it would otherwise have been. Your words of advice, while not always acted on, were invaluable to me as a means to look at both sides of an issue.

Emperor XXI Christopher Garrett:

I know you have heard me say this before, but the results we have accomplished together show just how true it is: If I had had my choice of any member of our court, I could not have picked a better Emperor. We have developed a friendship, and, yes, even a love, for one another that will last forever.

With a gratitude that comes from deep in my heart and soul, I thank you all for the opportunity to be your Empress.

Love,

The Enchanted Emerald Unicorn

The imperial critics have spoken and the word is out:

Reign XXI

is a

Colossal Smash-Hit!

ERSICSS has just added a new definition to the word "success"! It's called: REIGN XXI!!

-- New York Thymes

The most imaginative reign we've seen in a long time. An inventive combination of drama, nerve-tingling suspense and campy comedy has made this one a real winner. We give it TWO THUMBS UP!

-- He-Burped & Roped-Her

Reigns come and reigns go, but this one will be remembered for a long time. Christopher and Jackie have really pulled this one off with true style and panache! If you missed this truly exciting reign then all I can say to all of you Rip Van Winkles is: "Too bad! So sad!" Maybe you'll pay closer attention next time, sleepy-heads!

-- Rhona Bearitt

A skinny leatherman with braces and a middle-aged transgender drag queen? Being a true cynic, I said, "That will never work!" However, after "experiencing" Reign XXI, this die-hard skeptic was totally amazed and completely awestruck. Christopher and Jackie get and A+ for this one. I'll just order crow with a side of humble pie.

-- Wrecks Reade

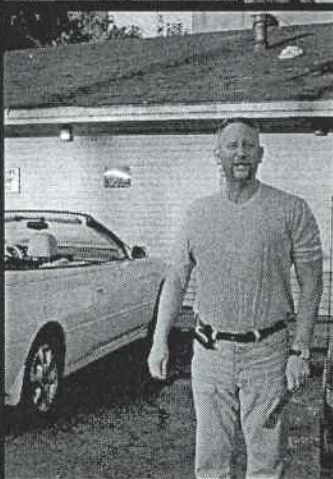

Congratulations Reign XXI!
WAY TO GO!

With all my respect & my "tongue in cheek" love,

Jerry Morin
