Empress I & II, Laura Lee Love

To Our Guests,

Welcome to Coronation 26 of the Empire of the Royal, Sovereign, and Imperial Court of the Single Star, Inc. On behalf of the Board of Directors, thank you for joining us in celebrating the year of hard work of Their Majesties JP and Marcia, as well as the rest of the membership of ERSICSS. Reign 25 has been an exciting, and sometimes challenging, year for us and we look forward to a very successful conclusion as JP and Marcia move on toward Wuzzieland.

Reign 25 was the year of hard and sometimes trying times. We encountered a difficult economy and lost some very dear friends, but have done our best to persevere and continue our work making things just a little bit better for those in need. Hopefully, we became a bit easier to talk to for our newest members and helped them to understand why we do things the way we do sometimes. We believe they helped us realize that just because it's always been that way doesn't mean it is best that way.

Reign 25 has been a year of strengthening. We lost very precious members of ERSICSS as well as throughout Texas. But with each loss, we came together to comfort each other and grew that bond which holds us to our mission in our communities. It has been through these trying times that ERSICSS once again has proven itself as one of the premiere charity fundraising organizations of Houston.

At the time of the printing of this letter prior to Coronation 26, Reign 25 has already donated \$16,384.15 in direct benefits to local Houston charities. We hope that when we reach Investiture in February, and hand out the check to our reign beneficiary, we will be setting yet another record for this organization.

To Their Majesties JP and Marcia – Congratulations on a terrific year. I could not be more proud of both of you. You have worked hard and it has paid off for the community as well as the organization. You have my thanks and my wishes that this evening proves to be everything you wanted. If you ever need anything in the future, please do not hesitate to give me a call.

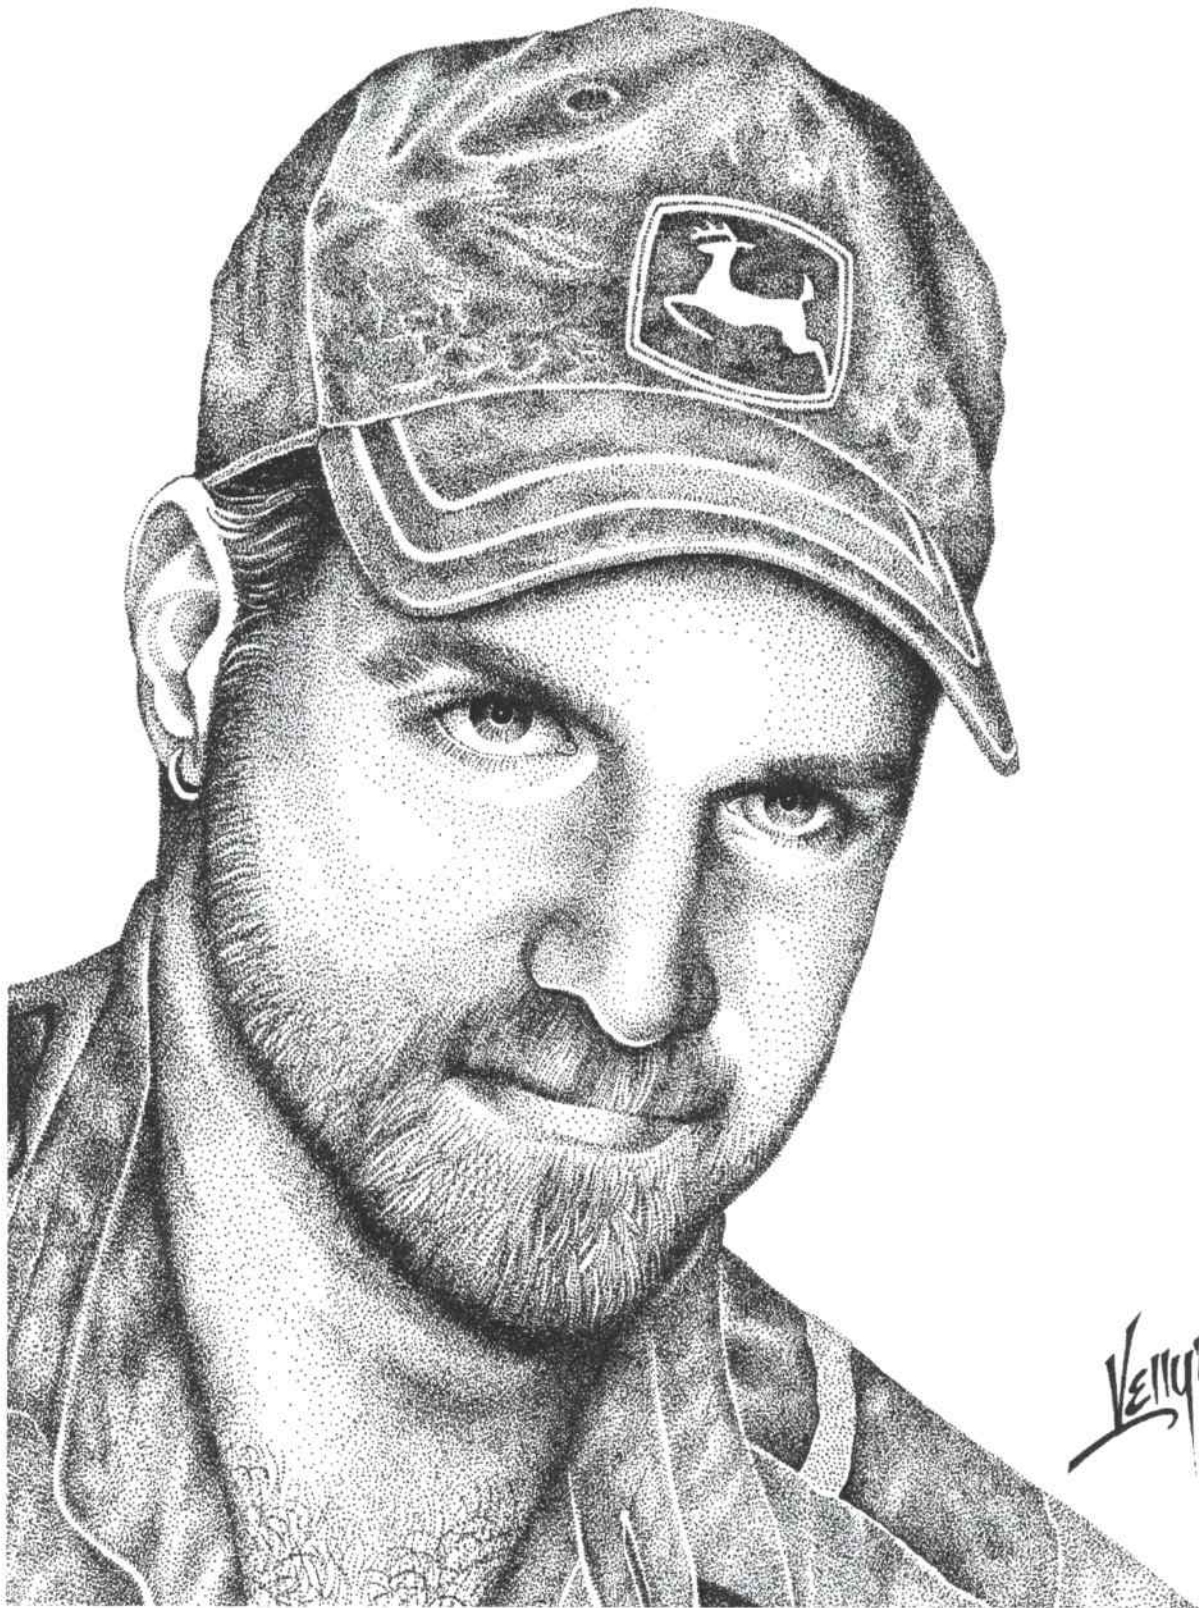

I would also like to take a moment to give my personal thanks to the Board of Directors as well as the members of ERSICSS Reign 25 on their dedication to the causes we support. It has been my privilege as well as my pleasure to serve as President of the Board this year and pledge my continued support to this organization in the future.

Again, to all, thank you for joining us and you have my fondest wishes that the coming Reign surpass everyone's wildest dreams.

Sincerely,

Bob Bouton, Emperor XV
President, Board of Directors

*His Most Royal, Sovereign and Imperial Majesty,
Emperor 25 J.P. Gill*

Welcome to **Coronation XXV**, Your Majesties, Family, Friends and Community Friends.

What an Amazing Year. I remember when I joined at the end of Reign 21. I was just a little duckling in this Big-ol-Pound we call the **I.C.S.** As I watch other fellow court members and Monarchs help raise monies to give back to the Community. I know that was something I wanted to do. So that is where the Journey begins. As I started out I was very shy and to myself, but once I started raising money this Little duckling broke out into a Disco Duck.. I owe to everyone that had Trust, Faith and Love in me.

When Marcia and I stepped up we wanted to keep the Love, Laughter and in the Organization. Threw raising monies to help our future Gay, Lesbian, and Transgenders out in our and others communities. To which I have to say Our Mission was accomplished. there is no better city that I would have pic to represent than Houston my home town.

Oy! Where do I begin...?

I can only say a few words in the next couple of pages. However, those that know me know that will be far from the truth. I am Platsn, Farklemnt and will be saying Thank you countless times as you continue to read on.

Where do I begin? When I started to write this letter, I had an uncanny idea that it would be so simple to write this out... But not so much, as with many letters that my twenty four predecessors have had the honor to write out there s sooooooo much to say and so few pages.

First to my wonderful Houston Home, how amazing that I can be anywhere, smile, always receive one in return and be embraced by such a welcoming and generous community. My membership, you are foremost the back bone of what we do as a non profit organization. To all of the hard working members of ERSICSS, my female line, our male line, the college, the board and the many, many individuals that support us every weekend and made this evening possible; thank you from the bottom of my heart.

Sheri, as my IPR you helped me as I new you would to stay grounded and keep me on my toes every time you tucked at my wings. Thank you for remaining the ever present angel on my shoulder. I will be right here whenever you need me. Crystal, as my Imperial Mother you have guided me from the start. As my travel mate, I will always enjoy getting lost with you. My Mentors: Selena, Shy Anne, Kimberly, DD, Damita Joe, Barbara, Renee, and all of the Ladies in my life, thank you for standing by my side, supporting me and undoubtedly teaching me that at the end of the day, Girls Rule. To all of the clubs and organizations, I send you much Lib Shaft. We couldn't be celebrating 25 years without you all. So many of you that keep us banning together, we couldn't as an organization be as strong as we are without your support. I hope we can all think... What's next??? Thank you for all your help with Hospitality and to the Mr. Prime Choices for being our Color Guard. Clay, Sara, and Alicia, thank you for singing the National and Mexican Anthems. Sara and Terry, thank you for lending all of your creativity with posters, coronation ads and the program. Much appreciation to our Attendants Shane, Joe, Brooke, Tara, Ben and Scott as well as our Emcees: Sofonda, Gregg, Jay, Jay, Lola and Woody for assisting with the evening.

To my Family, far and wide, I have to first thank the TRUE Marcia Mink, my mother. Wow, what we started when I said, "guess what mom, I am gong to do drag for this event (back in '94) and you told me, "Well I have earrings for you!" I never thought I would be emulating you so much. You charisma, sincerity and delicious sass have always driven me and have made me who I am today. I love you. Kramer, your caring for mom is so fabulous and comforting, and thank you for being so sweet to me. Pop, your unconditional love fills my spirit. I love you. Dianne, thank you for taking care of him and seeing all of the beauty he as inside. Jeff, Leah, Lindsay and Jeremy, how happy it makes me to see your lives so full and loving. Sister Shannon, you have grown up to be an amazing young lady and I am very proud of you. My dear God Mother Lilly, How can this come to such fruition? Your son and I cannot be more kismets. And Brian, by brother, childhood friend and confidant, Where do I begin my love? Through the accomplishments in my life, I can certainly say is that I have had a friend that I have known for 35 years. Pretty big accomplishment if you ask me. I am so glad you all are here.

Now to me second family... My Gills, Seriously??? Can it be? An'Marie, my sister, thank you for sticking with me and pulling me through with something as simple as sister time especially when I doubted myself. Pa, Thank you for always believing in me. I am blessed to be your daughter. Daddy Don, stay exactly as you are. Nuff said you Schnauzer. Uncle Bob Bouton, I couldn't be here without all of your guidance and emotional support. Rocky, you are truly my rock. To say we have been through a lot together is an understatement. Our Pooh will always be watching over us. And to all my Gill/ Gillettes, thank you for being my family as you and PWA have brought me to where I am today. B.A., I know you are always around me. I do not stand alone when I say you are deeply missed.

My community, as said before, I couldn't be here without you love and support. The fact that you want me to be there for you, raising money, doing my all, is all of the energy I need to do my best for each and every one of you. I never thought that after 15 years and poking Daddy Rose and Steven Bunch as to how I can get more involved in the community that I would be where I am today. I owe you both thanks. Brock, Tommy Sue, George, Ed, David Sawyer, Jerry, Cunningham, Robert... Blush or Bourbon, from now on you choose!

Now we travel... oh and how I have loved every minute of it. My Sister Courts and Everyone that has touched my life on the circuit,
