Welcome to LUEY!

...and welcome to Houston, Texas! The members and auxiliaries of the Houston Council of Clubs have worked for a full year to bring you another fun and exciting LUEY weekend. From its conception 39 years ago, LUEY has been strictly about showing our guests a good time and what a great sense of community and family the gay community of Houston possesses.

We hope that, as our guests, you will enjoy the receptions, meals and show that has been planned for your entertainment. This year's show will be a true Texas show with added performances from the North Texas Council of Clubs (NTXCC) and the San Antonio Council of Clubs (SACC). Don't forget that NTXCC has just had their first fun and successful Fall Frolick and SACC will host their twelfth annual ACE Weekend this year. Also, expect a very special guest to perform at the show!

I know that you came to Houston to party, not to read a long letter from the Chairman, but here are a few important things to remember:

- Don't forget to wear your pin at all times this weekend to enjoy the receptions, meals and transportation.
- Check the information handed to you at registration to use the transportation provided Saturday evening and Sunday afternoon. It will ease some of your stress.
- This is a party weekend. We want you to have fun, but please do it safely. We want you to get home safely so you can come back next year.

My final thought for you is this: This year is LUEY 39. As long as the world does not end on December 21, there will be a LUEY 40! Those anniversary years tend to draw much bigger crowds. Expect to see registration open much earlier for LUEY 40. Make your travel plans early and watch for hotel recommendations with discounted pricing for LUEY 40!
