If You Are Flying In

Houston has two major airports: Hobby (airport code HOU) and George Bush International (airport code IAH). The hotel where the event will be held is located very close to Hobby and a free shuttle is available from Hobby to the Marriott. George Bush International is located about 30 miles from our hotel. Shuttles are available. Estimated cost for a shuttle from George Bush International to our hotel is \$40 and travel time can be 1-2 hours, depending on traffic and stops.

Hobby Airport is a hub for Southwest Airlines. Additional airlines that fly into Hobby Airport include Delta, Jet Blue, AirTran and others. If you book your flights online, don't forget that you'll need to go directly to Southwest Airlines website – their flights are not listed on the usual travel sites like Orbitz, Travelocity and sucy. Having just paid \$30 per checked bag, we also want to remind you to factor in that, unless they are ridiculously heavy, Southwest Airline allows two checked bags plus your carryon without additional fees.

**All attendees must fill out either a paper registration form
or the online registration form found at www.olohp.org**
