

ABOUT THE AUTHOR

Terry Miller co-authored the Off-Off Broadway musical, "Don't Walk On the Clouds." He researched and wrote the entries on nearly thirty American playwrights for the new edition of the McGraw-Hill Encyclopedia of World Drama. Theatre history projects include factual and photographic research for Martin Gottfried's book "Broadway Musicals", and Sylvia Fine's PBS telecasts, Collection of Theatre Photography. Mr. Miller published his original "Broadway Musical Calender for 1980", which included twelve essays on musical theatre and 900 openings arranged by anniversary date.
