The purpose of Pumped Up On Art is to raise funds by auctioning off the autographed high heeled shoes (PUMPS!) donated by celebrities and embellished by local artists. Local artists drew lots for the opportunity of creating a work of art from one shoe of the celebrity pair. There will be a live auction for the pumps of Governor Ann Richards and Lily Tomlin, each being auctioned with autographed pictures. There is a message from Lily and an artist's rendering of Gov. Richards. The other items will be available for purchase through silent auction.
