SAMPLING TEXAS

Howdy Pardner! I'm glad you picked me up so we can get acquainted. First, maybe I should introduce myself.

My name is This Week In Texas. I'm a Gay business and entertainment guide, published weekly and distributed free of charge in gay businesses throughout the State of Texas — from Amarillo to McAllen, El Paso to Beaumont. You may thank my advertisers who brought me to you.

I'm just a week old baby; developing, trying new things, and making promises for good things to come. With your help and backing, I hope to bring Gay Texans ideas on living the good life with style, and on a slim wallet.

One way you can enrich our life together is to report in writing any unusual or special happenings to your favorite Gay business man. He in turn will forward the information on to me for publishing. Together, we can work it out, even though the economy is unfavorable at this time for both advertising and printing.

If you're visiting the Lone Star State, This Week In Texas sincerely hopes you have caught the Texas Gay Fever, and that I have been of some assistance in showing you a good time. Go back home calling things in Texas the biggest, boldest, baddest, or best.
