THIS WEEK'S OPINION

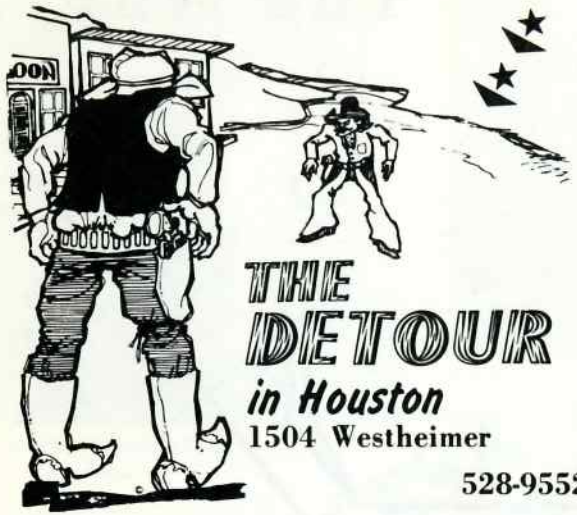

This Week In Texas has tried every honest means to treat **all** gay businesses in the state of Texas fairly. There has been no omittance of submitted information for Around The State This Week or Sampling Texas; plus, every business has received copies to distribute and has been listed as a supporter. These costly, beneficial services have been **free** to all businesses – **But no more.**

Last month, a statement (for $12.00) was mailed to all businesses who have not advertised, and was due the first of June. You'll probably agree that $3.00 a week is but a small portion of the added dollars derived from being mentioned in This Week.

To save all the boring details, it boils down to the fact that we are constantly at the mercy of uninterested businesses who are "free loaders". But no more. Starting next week, your **Free** Texas guide will be available only in the businesses listed as Supporters. You now have the facts.

This Week In Texas is preparing to improve by including Faces and Places, Special Columns, Short Stories, Opinions, etc. This Week is small now, but we believe you have the ideas and answers that can make us grow. We're Ready.
