# THE CLIKS Round out Texas in SA and Dallas this weekend

After #1 video on LOGO ("Oh Yeah"), and a sexy new one on The Click List ("Complicated") hosting the channel's "The Click List," touring last Summer with Cyndi Lauper's True Colors Tour, performing on The Late Late Show with Craig Ferguson and a successful European tour, The Cliks are back in Texas where the Toronto foursome made their stateside debut at SXSW '07, this time opening for Girl In A Coma (who opened for Morrissey on their last tour).

Touring the US through December, The Cliks are mid-way through a Texas tour (Austin 12/12, Houston 12/13, San Antonio 12/14, Dallas 12/15) after touring the US as part of the The Fall 2007 Jägermeister Music Tour, opening for legendary rock band, The Cult, known for alternative rock hits like "She Sells Sanctuary," "Rain," and "Love Removal Machine."

The Cliks, like The Cult too enjoy a wide fan-base, with rockers, punks, goth and hip kids of all ages jamming gigs to sing along to hit singles like "Oh Yeah" and "Complicated." Like Cyndi Lauper, who heard, fell in love with the Cliks and put them on her True Colors tour, Ian Astbury of The Cult picked the band to support their first US tour in almost a decade because he loved their sound and style and what they represent.

Led by transgendered vocalist/guitarist Lucas Sliveira The Cliks are Morgan Doctor (drums), Nina Martinez (guitar) and Jen Benton (bass). The rock righteously and the press and fans love 'em. Here are a few choice quotes, the first of which is from #1 fan, Margaret Cho, who, while on the True Colors tour, make a habit of storming the stage to French kiss Lucas after every gig. (See them carrying on in the "The Cliks Eyes in the Back of My Head" video on youtube.)

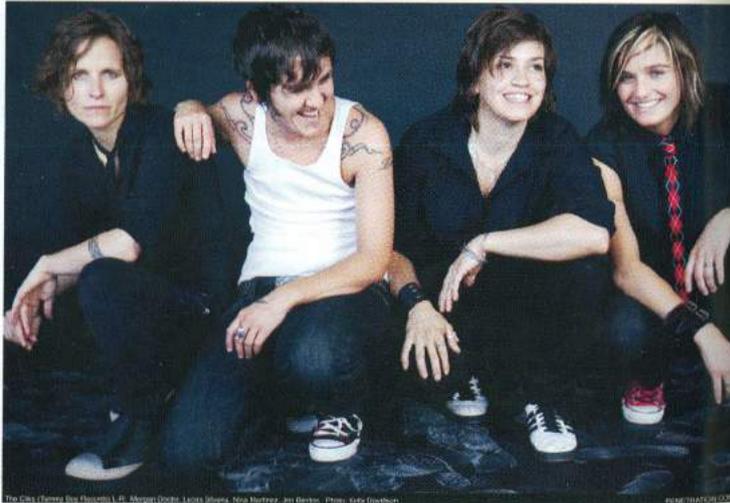

The Cliks are the band we have all been waiting for. No one else can inspire such crushed-out ad-

miration and full-on rock star screaming. I thought those embarrassing fangirl days were long gone for me, but The Cliks have brought them back with a vengeance." — Margaret Cho

"The songs on "Snakehouse," which comes out next Tuesday, brim with urgency and fortitude. Rhythms are primal, riffs are sinuous, and Sliveira sounds invincible." — Boston Globe

Part of my mission with the True Colors tour was to provide a platform for some new and exciting acts. A band like The Cliks is all that and more. They are a force to be reckoned with and I am really excited to be sharing the stage with them. — Cyndi Lauper

The Cliks are for real. Don't expect cheesy, drippy bubblegum pop-rock from this good looking and styling group. From the first note, chord and beat,

they hammer their balls-to-wall rock. They're tight and have a great rhythm section that keeps the foundation together, and a lead guitar axe-woman who's going to have the boys and girls drooling. — Chart Attack (Canada)

I just realized this video has no comments? insane! the cliks are like... my version of a boy band. so they are the band, and I am the screaming 12 year old girl. I can't lie, I kinda want them all to do me ASAP. — Fan, youtube.com

"you guys fucking rock!!! lucas, u inspired me to try to work with my gender issues and now i'm really starting to figure out who i am. so thank you guys so much for being so cool and rocking out so hard. ROCK ON!!!" — Fan, myspace.com

The latest Cliks news is that in addition to the winged guns, pouncing dragons and carefully etched word "Survivor," the electrifying frontman will add a new tattoo to his collection when he tapes TLC's hit cable television show, LA Ink, later this month. (The new episodes will begin airing on January 8th, 2008).

The new tattoo, a stylized Mexican Day of The Dead skull, holds special meaning for Sliveira, "Traditionally, Mexican Day Of The Dead celebrations represent rebirth and moving into the second phase of life and to me," he explains. "It represents the rebirth I had when I transitioned from Lilia to Lucas and my true identity as a transgendered male."

For more on The Cliks, visit thecliks.com and be a friend on myspace.com/thecliks

Catch them tonight in San Antonio at San Antonio Ruta Maya Riverwalk and tomorrow in Dallas at The Cavern - with Girl In A Coma both nights.

And that's what's "CLIKin'...The Week In Texas.

## A Very Pink Christmas

### AUSTIN

'Tis the season to be jolly, and no one knows how to be jollier - nor better dons their gay apparel - than the fabulous Austin Babbist Women, and these ladies who do so much more than lunch cordially invite you to their 21st Annual Christmas Spectacular, "A Very PINK Christmas," this Sunday, December 16th, at the Rainbow Cattle Company, 305 W. 5th Street. The event, which begins promptly at 8 pm, benefits the Breast Cancer Research Center of Austin, a non-profit organization created by breast cancer survivors that exists to enable women to be active, knowledgeable participants in their health care. The Center, which serves women with breast cancer as well as their family and friends, is also a clearinghouse for information on resources in the Austin area that provide services for breast cancer detection, education, treatment and support. So, call a friend, grab your purse and come on down to the Rainbow Cattle Co for a rootin'-tootin' fun evening of entertainment and laughter featuring lots of Texas talent from around the state. There is no cover charge, but a \$5 suggested donation at the door is much appreciated. The Austin Babbist Women - an all-male, all volunteer comedy troupe - performs throughout the nation and exists for the sole purpose of raising money for HIV/AIDS, breast cancer and other charitable causes. For more information about the lovely ladies, please visit their website at [babbist-women.com](http://babbist-women.com).

### DALLAS

The holiday season means one thing - food, and lots of it. One of the most important elements in any holiday feast is the dessert, and what better way to sweeten a meal than to do it with a delicious pie that benefits those in need in the Dallas area. With a fabulous pie from Doris' Delicious Desserts, you can do just that, as Doris and her staff join forces with the Resource Center of Dallas to provide you with the perfect holiday sweets, and to provide the Center with funds to ensure that the season is just a bit brighter for its many clients. Choose from an assortment of fruit pies with woven crusts, no top crusts, and cream pies with

meringue or fresh whipped topping in a plain or Graham cracker crust - all priced from \$15-20 - and you're sure to be a hit with your guests or with another discerning host or hostess. All of Doris' pies are made fresh to order, and are baked on Monday, Wednesday and Friday, and are available for pick-up Monday thru Friday from 2-8 pm at the Resource Center, 2701 Reagan Street. Simply call 214-528-0144 to order and pre-pay for your pie, then sit back and let Doris create you a culinary masterpiece. So save some time this holiday season and let Doris make your holiday sweets - your sweet tooth supports the programs and services of the Resource Center.

### HOUSTON

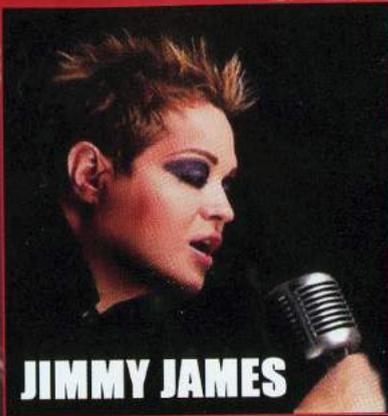

Mara Keisling, Executive Director of the National Center for Transgender Equality - one of the most prominent GLBT national organizations - will speak in Houston on Tuesday, December 18, at the Houston GLBT Community Center, 3400 Montrose Blvd, Suite 207, as part of a nationwide tour that takes her to Houston and other cities across Texas. Keisling, while addressing a host of topics and issues relating to transgender equality, will address the recent controversy over the federal Employment Non-Discrimination Act (ENDA) that erupted in late September after leadership in the US House of Representatives stripped language regarding gender identity from the legislation. Keisling will update attendees on the efforts of NCTE and the other 300-plus organizations of the United for ENDA coalition to fight for inclusion of "gender identity" or "gender expression" language in ENDA in 2008. For more information, please contact the Community Center at 713-524-3818.

### SAN ANTONIO

You are cordially invited to the FOCCER Family Holiday party tomorrow night, Saturday December 15, at the home of Michael Brown and Sonny Vasquez from 7-10 pm. Enjoy food, drinks, friendship and, of course, all of the holiday decorations. A suggested donation of \$10 benefits the River City Living Church Benevolence Fund. For more information and to RSVP, please call 210-348-8822.

Dear Diva:

I was at the mall the other day with my nieces and nephews to have their pictures taken with Santa, and I swear that St. Nick was cruising me. Now, I'm not usually into bears, but there was something about the twinkle in his eyes and the way his belly shook like a bowl-full of jelly that could've easily turned me into a ho-ho-ho, if you get me drift. Should I go back and sit in his lap and tell him what I really want for Christmas? Without the rug rats, of course.

Holiday Ho

Dear Ho:

My goodness, Christmas does strange things to people, doesn't it? I mean, not only are you finding yourself uncharacteristically attracted to a roly-polly, but you're actually thinking of initiating some sort of carnal activity in full sight of a bunch of soccer moms, impressionable children AND a squad of rent-a-cops that would probably love nothing more than to bust a sista in the middle of the busiest shopping season of the year so they can get a better bonus. A little too much nog, honey? Now, I'm not one to stick my nose in anyone else's business (shut up, biatches,) and would never even begin to think of suggesting that you can do better than a seasonally-employed and out-of-shape actor that sits around and gets gum and lollipops stuck all over him for most of the month of December, but sweetie...you can do better! After all, you've already stated that you're not usually into bears, so what is it about Nick that's making you suddenly change your feelings? Is it the lure of lots of prezies under the tree? The appeal of a moonlit sleigh ride with Rudolph? A secret fetish for elves? Because certainly it can't be all that fake white fur and red velvet or you'd be after Paris Hilton. No, dear, you shouldn't go back, you shouldn't sit on his lap and you shouldn't tell him what you want for Christmas. Rather, you should be a good little boy and go straight to Nordstrom and buy your Auntie Diva something extra special for helping you to see the error of your ways and preventing what could have been a major catastrophe for all concerned.

Dear Diva:

Do you think it would be tacky to hire a male stripper dressed in a Santa suit to perform at my best friend's son's bar mitzvah?

Clueless in Clute

Dear Dumber:

Oh no, dahling...not tacky at all. Why, it's the height of chic sophistication, and proves beyond the shadow of a doubt that all those people that think that Clute is a backwater berg of inbred Neanderthals are completely uninformed about just how cosmopolitan and worldly the city really is. And, surely, those same people are completely unaware about both your talents as a party planner AND your innate ability to make everyone in your purview feel comfortable and at ease. So you go right ahead and hire your stripper. In fact, hire a bunch of Hooters' hoes dressed as nuns to do a raunchy version of *I Saw Mommy Kissing Santa Claus* while you're at it, secure in the knowledge that, because of your style and panache, 2008 will see a whole new world of opportunity opening up for you in a city far, far away from home, and that you will be surrounded with a completely new circle of friends for you to impress and amaze with your unquestioned and unparalleled sensitivity.

## 16 Years Ago...Part Deux

So much happened 16 years ago This Week in Texas that there simply wasn't enough room to put it all on one page....soooooo, simply get last week's column and put it right next to this page for the continuing saga of gay life in 1991!

the Black Out Party at *Heaven*, once and still again in Houston; **Naomi Sims**, wanting *Muscles in Action* at the *Kon-Tiki* in Galveston; and, spinner **Brian Broussard**, overseeing the renovations to the booth at Galveston's newest club *Evolution*, once and yet and also and even yet and still again in Galveston.

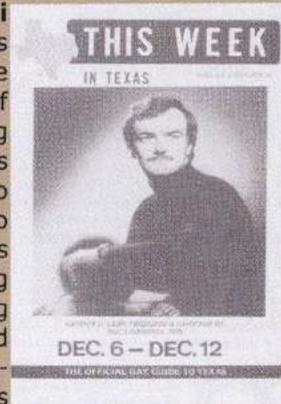

In a glaring example of *deja vu* all over again, CLASSICally-trained columnist **Bob Dineen** reported on events, occurrences and happenings 16 years ago *This Week in Texas*, including the crowning of Houston's very own **Shan Co-vington** as Miss Gay America 1975 (she would later be stripped of her title for conduct unbecoming a national drag title-holder - whatever that might be - and the crown was passed down to

**Dani Daletto**,) as well as the plethora of pleasing party palaces available to visitors to and residents alike of Big D, including such famed watering-holes as Crew's Inn, Chuck's, T.J.'s, Swamptrash, Sundance Kids and the oldest gay bar in the known universe, the Villa Fontana.

Finally, did you know that, in 1991, Dallas Gay and Lesbian Historic Archives head honcho **Phil Johnson** reported on an American sailor by the name of David who didn't ask and didn't tell and managed to service virtually every one of the 2,951 horny young men aboard the *Lady Lex* - the aircraft carrier USS Lexington, which was spared from Japan's "sneak" attack on Pearl Harbor - before the ship was ultimately sunk in The Battle of the Coral Sea? Or that his impressive record was not solitary, given the no-women-available circumstances of life at sea? Well, now you do....

And that's the way it was, This Week in Texas 1991...and 1975!

Now, wasn't that fun?

## Aries March 21 April 19

It will be up to you how you want to follow through on a relationship with someone new. Pay more attention to fashion and comfortable garments. Push career interests for all they are worth. Take time from your everyday chores to relax. You'll locate an article that had been lost, missing or stolen. Taurus proves to be very dependable. Take a chance on the Number 9.

## Leo July 23 August 22

A chance to influence a wide circle of people develops this evening. Avoid those that complain about everything in the evening hours. Demonstrative love won't go bagging under the current cosmic trends. Discovering a friend of someone new will be rewarding. Ways of adding additional space to your living environment will occur to you today. Gemini has some say in this scenario. Your best bet is the Number 7.

## Taurus April 20 May 20

High lofty thoughts and a dramatic presence help you stand out from the crowd. Look for the hints you need to move forward in your local newspaper. Romantic overtures and interludes are favored tonight. Stop, look and listen or you may end up in trouble by dinner time. Today is a good day to clean up your act. Aquarius and Capricorn figure in the day's doings. The Number 1 will pay off for you.

## Virgo August 23 September 22

Doing any kind of exercise could put you in a great frame of mind. Find solace in your own place before making any decisions. Search for new and improved ways of relating with your mate. You may receive an invitation that a friend has been expecting. You will wake up on the wrong side of the bed. Sagittarius and Taurus prove to be helpful on a project. Today's lucky Number is 4.

## Gemini May 21 June 20

A loved one may be miffed about something that wasn't done. Don't let a loved one talk you into doing something stupid. Social fun is evident this evening as signified by Venus in Libra. The way is clear to stabilize gains made over the past several years. You may find things are hard to understand today. Aries gives the nod of approval. Count on the Number 12 to win.

## Libra

## September 23 October 22

It's time to bear a strong shoulder for a loved one to cry on. Learning something new will give you ideas for a future project. What is said may stand for some time to come, choose your words carefully. You'll have a strong interest in what is hidden or in the occult. Doing any kind of exercise could put you in a great frame of mind. Cancer and Pisces may have some important answers. The Number 8 will pay off for you.

## Cancer June 21 July 22

Enter every kind of contest you can find. Watch where you are putting your feet. You may get your feelings hurt but don't take it too hard. You may have to give in to a loved one's demands. Your studies are relaxed this evening. Taurus and Gemini have key roles in your life. Now is the time to take charge at work. Your hot Number is 5.

## Scorpio

## October 23 November 21

Making plans for your future is signified by Venus. Parents and offspring can pull surprises that may not be to your liking. Refuse to be budged from any perch you have been occupying lately, philosophically. There should be some extra money coming your way that should sweeten everyone's temper. You may have been the one at fault in a recent feud with a loved one. Check with Cancer before proceeding. Your hot Number is 9.

**Sagittarius**  
**November 22 December 21**  
 Decisions you make could pay off big. It will be up to you how you want to follow through on a relationship with someone new. Move about your own locality by walking. Tonight looks like a good time to get ahead in your work. Your deliberate actions may be covered up in one way or another. Leo gives the nod of approval. The Number 1 is a winner.

**Capricorn**  
**December 23 January 19**  
 It's a good time to take care of those long range jobs you've had on the back burner for awhile. Someone who had been out of sight for quite awhile could call or visit. Surprise your beloved with a gift that will be much appreciated tonight. Today should prove to be a great day for you. Tonight you should be able to relax. Scorpio and Taurus prove to be helpful on a project. Take a chance on the Number 13.

**Aquarius**  
**January 20 February 18**  
 A heart to heart talk with a loved one will produce good results. A long distance call may lead to a visit or journey with Capricorn. Call your competitions bluff, it will pay off. Now is the time to push your career, status, authority and prestige. Someone will return a lost item you have been looking for. Put your trust in Aries. The Number 6 will pay off for you today.

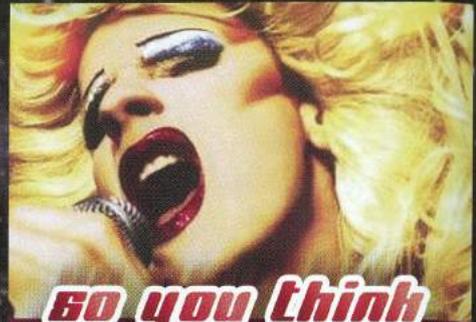

**Pisces February 19 March 20**  
 A windfall you've had your eye on may be coming your way soon. Find a quiet spot to relax to get things straightened out in your mind. Finding that extra energy you need to make it through the day will be easy. Romantic overtures and interludes are favored tonight. There are creative forces that are liberated and the cycle generated can become a memorable one. Virgo figure's prominently in the day. Count on the Number 14.

*Jimmy Trips*

STAR OF LUCAS ENTERTAINMENT'S

GIGOLO

**Hi Jimmy! Thank you for taking the time to talk to TWT magazine. Have you ever been to Texas?**

*No, but I would like to visit San Antonio sometime and see the Alamo. I hear Austin has a great music scene. That would be cool!*

**How did you decide to get in porn?**

*I have a big dick and love to fuck...seemed like a good idea.*

**Let's just cut to the chase. How big is your dick?**

*10 inches give or take.*

**What made you decide to work with Lucas Entertainment?**

*I live in New York. I went in for an interview and I liked what I saw, everybody there is very friendly and professional.*

**Were you nervous about filming your first sex scene?**

*Yeah....I wasn't sure how things would be.*

**Do you consider yourself an exhibitionist?**

*Not really, I just enjoy having sex.*

**You were great in the "Intern" and I hear that your 3 way scene in "Gigolo" was amazing. Which scene did you have more fun filming?**

*I liked them both for different reasons. But I would agree with you the three way in "Gigolo" is hot.*

**The films at Lucas Entertainment are more than just sex films, they usually have a plot. Do you see yourself as actor or a porn star?**

*Never really thought about it, I would say a little of both. I'm not one for labels.*

**What's the next project you are currently filming with Lucas Entertainment?**

*I have an Audition scene to film this month. I'm breaking in a newbie.*

**Can't wait to see that! Are you dating anyone right now?**

*Nope. Not at the moment. I'm still looking for the right one.*

**You have that handsome rugged look, are you a romantic kind of guy or are you the love and leave them type?**

*I can be both depends on who I'm with... maybe I am an actor! But I can't really say that "I'm a leaver" because I haven't really found anyone*

*that could keep me.*

**What is your favorite thing to do sexually?**

*I don't have any one thing. I like to have spontaneous "guerilla sex."*

**That could be a hot scene, Mr.Trips. Aside from porn what are some of your other interest?**

*I read, play music, paint and hike a lot...I'm also interested in film both mainstream and adult: The whole process, from beginning to end. I want to learn as much as I can.*

**Thank you Jimmy for taking the time to talk to**

**me, it's been a pleasure. You have been quite the gentleman. Oh yeah before we go, I forgot to ask the most important question of all. Boxers or Briefs?**  
*Boxers or nothing at all*

**Thanks again Jimmy.**  
*Thank you!*

*Be sure and check out Jimmy Trips in the latest Lucas Entertainment film "Gigolo". Attend a special DVD release party at the Saint in San Antonio on December 15th*

The dark, underground world of a New York City gigolo is as cutthroat as it is kinky. Hustlers hit the streets hunting for their next john. Pimps demand their cuts. Loyalties are lost at the wayside. Following the tragic death of his lover, ex-hustler Louis McMann (Michael Lucas) is thrust back into that sordid world in order to survive and gets caught in a web of deceit, lies... and murder. Sometimes life can become unbearable. Will Louis get his ultimate revenge?

Opening: The strangled body of Louis McMann (Michael Lucas) has been found in his Upper West Side apartment. A CSI crew is investigating the crime scene. What happened? Who killed Louis?

Sex Scene One: We flash back to Louis (Michael Lucas) hooking up with a john (Jason Ridge) that he met at a hustler bar. Reclaiming his escort past, Louis takes care to work his john up, sucking his toes, eating his ass, and feeding him his large, uncut cock before fucking his brains out in multiple positions. Satisfied, the john pays Louis, who turned back to hustling after the death of his lover (Spencer Quest) put him in financial straits.

Sex Scene Two: Meanwhile, also needy for money, pimp Vic (Ray Star) gives kinky German Kurt (Lars Svenson) the business card for his next client and tells him to turn the extreme sex play down before someone gets hurt. Kurt heads to Ken Jergeson's (Jason Sparks) apartment and after some intense dick sucking and toe licking, the two forcibly fuck. Ken swallows every last drop of Kurt's cum.

Six Scene Three: Vic (Lucas exclusive Ray Star) takes his hustler JJ (Lucas exclusive J.) to a club to scope out new recruits. They eye Nate (Zack Randall) and take him home to give him a test run. Nate sucks Vic's cock with vigor, and soon Nate and Vic are having their way with JJ's tight ass, taking turns pounding it from behind.

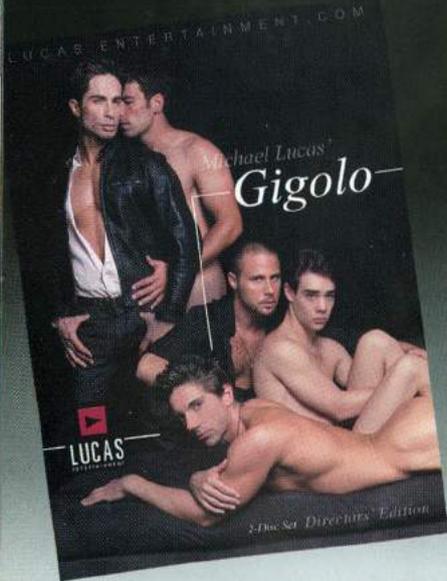

Sex Scene Four: Vic confronts Louis, who used to

work for him, at a restaurant, telling him he can't turn a trick unless it goes through him. Vic threatens Louis with a knife and puts him down, showing off his new guy Ben (Lucas exclusive Ben Andrews) as younger and more hung. We follow Ben as he hooks up for a threesome with couple muscle daddy Steve (Scott Tanner) and twink Kyle (Kurt Wild). The couple worship Ben's monster uncut cock, followed by tons of 2-on-1 action that includes ass-eating and toe-sucking. Steve and Ben then take turns fucking Kyle until cum flies.

Sex Scene Five: Louis gets a call from a trick he's never met before, Ken Jergeson. He heads over and does his job, and while he leaves the building to his next client, we see Kurt sneakily re-enter before the door closes after him. Meanwhile, Vic sets up his new guy Nate (Zack Randall) with a stressed out European businessman Nicholas (Arpad Miklos). Nate gags on Nicholas' huge cock and opens his hole wide for Nicholas' tongue in order to prep for a deep fuck.

Closing: A cop questions Louis about the murder of Ken Jergeson, his first trick from the previous night. Panicked, Louis goes to his second trick's apartment, hoping to get him as an alibi, but he only gets his wife. Louis heads back to the hustler bar and overhears talk that one of Vic's guys may have had a part in the murder. Convinced that he was framed, Louis tracks Vic down to the Slipper Room, only to get roughed up by Vic's bodyguards. Defeated, Louis heads back to the bar, has a drink, and encounters Kurt. Back at Louis' apartment, Kurt appears ready to give his client what he wants...

Flash forward to the present, where the CSI crew is investigating the crime scene of Louis' murder. A detective picks up a wallet from the floor...

## VOICE OF LEATHER by Mera Tucker International Leather Sir, Leatherboy & Community Bootblack Contests (ILSb & ICBB) Announces New Owners & Plans

ILSb & ICBB has been held in Dallas, the past couple of years but the announcement by the new owners has the possibility of the contests moving to San Francisco next October. That isn't written in stone as Mr. Frazier is still negotiating with

the hotels. The hotel that gives the best deal is ultimately where the contests will be held in October 2008. I will let you know as soon as that decision has been made. The new owners have sold the South Central Region of which Texas was a member, to Terrell Brown of Oklahoma City and South Central now covers the states of Oklahoma and Arkansas. JD Buchert, is the new

owner of the newly formed Gulf Coast Region which includes the states of Texas and Louisiana. There are 13 regions that will each send contestants to ILSb & ICBB. The 2008 ILSb & ICBB Contests will begin in April.

This past October the contest was great fun, held at the Crowne Plaza Mockingbird and where Olivier Pratt, from Oklahoma City, was named International Leather Sir 2007. boy/pup sparky was named International Leatherboy also from Oklahoma. Both were the reigning South Central Leather Sir and Leatherboy.

This biggest thing done thus far is the long awaited announcement that the gender requirements have been officially changed. Previously in order to compete for ILSb, one has to be a biologically born male who identifies as Gay. This exclusivity has caused much debate in the Leather Community for excluding Transgendered males. The new board has changed that requirement and going forward Transgendered males that identify as Gay are now eligible to compete for the titles at both the regional and international levels. We applaud the new board for their foresight and for taking a stand to reduce exclusivity and discrimination. If you know of anyone interested in competing for Gulf States Leather Sir, Leatherboy or Community Bootblack please have them contact me and I will make sure you get the necessary forms and contact information up to the plate to be a representative of your Texas Leather Community.

Also in the news... "International LeatherSir / Leatherboy" and "International Community Bootblack"

contests are now officially under the new ownership of "Leather Heritage LLC" (dba ILSb / ICBB) as recently announced by Mark Frazier, Executive Producer, Randal Kinneer, and Lou Molnar, Co-Executive Producers.

"We are currently negotiating to move the contest to San Francisco over the Columbus Day weekend for 2008" says Mark Frazier.

"Affordable event package pricing is high on our list of improvements to the ILSb weekend event that we want to benefit attendees and the community". Package prices will start at \$79.00 for early registration, \$99.00 regular registration and \$129.00 registration at the door.

The 2008 event weekend will also include contest events on both Friday and Saturday nights, a new vendor mart, 20 or more educational workshops, a Sunday Brunch with a keynote speaker and promises lots more to the benefit of attendees.

Mark, Lou and Randal feel that "one of the most difficult obstacles we faced as new owners was the resolution of allowing only 'bio born males' to compete for the Titles of "SIR or "boy". We are extremely proud to announce that with the vast majority of support from our regional producers that this issue has been resolved.

Effective immediately, any individual who is "legally male" and "self identifies as gay male" can enter any local, regional feeder contest for the "International LeatherSIR / boy" titles, as has been the case for the International Community Bootblack title.

We are very proud of these improvements and all the positive moves ILSb and ICBB are making towards a "progressive future" for our communities.

For more information as we update our web site, please visit (<http://www.leathersir.com/>), or contact us directly.

Yours In Leather Brotherhood,

Mark Frazier; President, Producer, ILSb & ICBB Fraziermar@aol.com

In my personal quest to be where it's at (whatever that means) I found myself waking to the stunning mug of Mr. Manager man Jeff in the back room of OCH. With

a dashing smile, he let me know that it was time to rise and shine and to do it all over again. I rose from my cot and folded and stowed it in its place and headed out to find more familiar faces, with the owner of OCH, Larry, being one of many that I look forward to seeing...but, three weeks now and no Larry. Rumor has it,

he is in deep negotiations with city of Austin and NASA for upcoming rocket rides to the moon. Until he comes out of hiding with the stellar news, I will have to settle for rocket rides from my pals with the big rockets on the Patio - Ross, Hunter, and Kyle - who really know how to send you to the moon with stiff drinks that will get you

in the mood for the ride. Now with orbit established over OCH I was able to relax and enjoy the Year in Review Show on center stage, which was quite the production.

After my orbit had deteriorated and my buzz had burnt up upon descent to 4th Street, I skipped by this fine candidate for my trick book out in front of the snob pond between OCH and

my destination, Rain. He said he was working, and I said I was to, and blah, blah, blah, next thing you know Alfred at Midtowne Spa is on the phone and I'm asking him to hook a gal up, which he did, and my nameless friend and I were off to find out what it's like to swing from the rafters at Midtown...thanks Alfred!

After my slight sidetrack adventure I was back on 4th and into Rain where one can always get a warm welcome from these fine beefy brutes. After I.D.s were

checked and all was good at the door, I entered this posh drinkery to celebrate with the rest of the Celebrities of the 1 Year Anniversary Show with special guests Erica Andrews and Layla Larue and house beauties Vanessa Gordan and Goldie Haynes. Spectacular would of been short of what this event was.

Over at Cow Street and 13th (Charlie's) I can always count on fine food and drinks to be served up by 11:00am sharp on weekdays. I belly-

upped to the bar to get my grub on, and wash the fine vittles down with a tasty tequila beverage. I searched high and low for the famed house diva and Austin TWT EOY Jame Parry, but nowhere was she to be found...those who are in the know say I might be able to bump into her on Sunday nights, since she's got it all

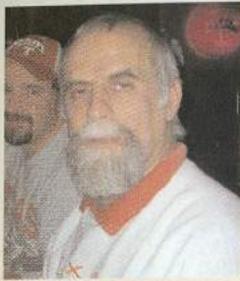

going on that night center stage at Charlie's. I also heard that she might make an appearance at Charlie's Customer Appreciation Party on Dec. 19th, where all will be fed buffet style with a dee-lish Xmas toast accompanying. We'll be there...

My last stop in Austin before I had to get back to the

home office in San Antonio proved to be the most shocking of all. My chill out spot on the IH-35 trail was off the hook. Yes, Bout Time was filled to capacity with all walks of life hanging in harmony. Speaking of harmony this sexy schwinging stud just so happened to slip into the joint,

TWT's good friend and the apple of my eye, Mac. The tall drink of water can quench my thirst any day, and happens to be on TWT's top ten people we would like to have naked PICs of list. Yes, there is a list. After hugging up on my hero I made my way over to TWT's trusted Austin delivery person Kiwi who, after dropping off our fine periodical, can always be found getting his drink on up at 'Bout Time. So, after a quick nap in the wintry sand trap that acts as a volley ball court during warmer moments, I was good to go, and ready to get gone so once again I can tell all about this week in Austin.

### Alamo CiTea

We shared with you last week how very many people can be spotted, admired and otherwise groped on the weekends at the Bonham Exchange, and how if it weren't for the tag team talents of the tantalizing Teresa and the vampy Veronica at the front door we wouldn't be able to get in the building, let alone spot, admire and grope. What we didn't mention was that it's almost equally hard (tee hee) to get to see our very favorite purveyor of potent potables, Paul, because the line to see him and partake in one of his exotic elixirs is almost as long as the one in front of the building. Of course, none of this should come as any surprise to you

nightlife aficionados out there that know that the BX has been the choice of passionate partiers for over a quarter century. You also know that Paul has been the choice of passionate peeps for almost as long. Well, not that long really....but long enough so that we can't remember a time when he wasn't pointing his liquor gun....ahem.

Speaking of pointing, we ran into James and Bill pointing at the ceiling at the Saint the other day, and couldn't help wondering what it was above us that had drawn their attentions. Was it the incredible holiday decor? The caged dynamic *danceur de dique* swinging from the support beams? The location of the secret hidden treasure? No, actually, none of the above. The beefcake boys were actually demonstrating to us who was number one, which confused the hell out of us because we know from our TU trig classes that one and one

make two, not one, so there was simply no way that there was a number one anywhere within camera range. Then, we realized that they were talking about football teams - the Cowboys and the Patriots, as evidenced by their chic *chapeaus* - and we finally felt as if we were in the loop. Naturally, we had to vote for the Patriots, 'cause they've got Tom Brady and Matt Gutierrez in the QB positions and those are two handsome hunks that we never mind ogling of a Sunday afternoon....

And while we're on the subject of Sunday afternoons, trumormongers are mongering that the spit and polish crews at the X-ing were extra busy not resting one recent Saturday, overwhelmed as they were by the detritus of the over 1700 folks that descended on the party palace the night before. You read that number

right, babies....1,700! Can you even begin to imagine all of the *caliente* and comely cuties packed in, rubbing against each other and getting more of a feel than they probably ever dreamed possible? We caught the infamous Lady Margo and friend rubbed up on each other in the packed Tejano section of this hot multi-bar club.

Over on San Pedro, we ran into our very dear friend

Professor Raymond at the 2015 other night, and sat and visited with him since we hadn't seen him for a while. Seems he's been so busy with his professorial tasks and such that he just hadn't had the time to participate in the finer things in life, but now that the fall semester is over he can finally return his focus to important things like cocktails and Dick. Which, of course, is why we spotted him at the 2015, the home of Dick. Oh, and Serge and Chris and Johnny, too....

Back on the Strip, we had just finished gnoshing on a bodacious burger from Luther's and were needing a little libation to compliment it, so we decided to dash on over to Heat and have our fave foam dispenser Arturo dispense a few refreshing adult beverages to warm the

cockles of our hearts and other vital organs. We immediately started to meditate on the answer to the command on his tight T, but simply couldn't come up with a use for denim other than the obvious - ya know, jeans, jackets, shirts, tote bags and the like. It wasn't until the third beverage went down that we realized that it was USA, not USE, but by that time we had *used* so many brain cells trying to come up with new uses for the fabric that we were just too exhausted to admit our mistake. Thank Gaea that Art was so busy with other customers, or we would have really been embarrassed.

We stumbled into the Silver Dollar Saloon recently and literally fell right into our very dear friend Keana Lord hanging with some equally stunning and luscious ladies with pointy objects in their hands. Knowing Keana as we do, we thought that they might be souvenirs from one of her many victorious pageant experiences, but we soon found out - basically, by not paying attention and backing right into one - that the gleaming was

coming from darts, and that it was GDLSA play night at the longtime libation lounge. We were invited to join, but we've always had a problem hitting targets with

tiny, pointy things so we opted just to sit back and watch in between shots of Cuervo and moments of smelling Peter's lustrous locks. It's just amazing how a game of darts can stimulate so many sensations....

### Space CiTea

Several weeks ago, we ran a photo of the man that we consider to be our next husband and without a doubt one of the most stunning collections of DNA on the

planet. The bee-yor-geous beau's name is Michael, and it should come as no surprise to anyone that's familiar with the Bayou City's party palaces that such breathtaking buffness found its way to South Beach, the coolest place on Earth AND the one place in town that, certifiably, has more gore guys per square foot of space than anywhere else on the planet. We found Michael surrounded by some rousing Romeos with the monikers of Ruben and Derrick, and espied a line of sexy studs that

included Ruben 2, Steve, our favorite Uwear model Fernando, Bobbie and Austin just waiting to get up close and really personal with the manly man. We have just two things more to say on the subject: One, thank Gaea for Buddy and his potent potables, which

soothed our savage beast, and (b) we'd better find Michael 'neath our tree come Christmas morning or Santa's gonna have some splainin' to do....

Speakin' of splainin', no explanation is necessary for the trendy T that we spotted at the Montrose Mining Company the other night. Unnecessary, you see, because the proof of the statement can also be found at the longtime libation lounge in the form of divine *danceur de dique* Davier, who will do virtually anything

- anything, do you hear - to ensure that he's good to find. Ahem. And ya gotta love that in a man...

Just across the street at JR's, we noticed yet another

fashion statement in the form of a really beefy T that suggests that its wearer may be short of cash, but certainly has other assets to compensate for it. That's right, babies, Brad would much rather be rich than so well hung, but we think that Art and Luis might not spend quite as much time with him if he were. 'Cause money isn't everything, doncha know....

In the OMG, It's Gorgeous category, there's a certain Genesee gin joint by the name of Meteor

that Club and Lounge Review has rated just that, and we can't help thinking that part of the reason is because of club honcho of the head variety, Alec, who gets a heluva lot more than an OMG HE'S Gorgeous from this magazine. Just look at those dreamy eyes, and those full luscious lips, honeys....that's a five-star fella if we've ever seen one. He'll be on hand this weekend, of course, for the club's incredible Madonna-esque mixer featuring the masterful re-mix of all of Madonna's greatest videos and music by Chicago mix-master, DJ Riley. Which means you need to get all up in that mix, sweeties, 'cause it's gonna be fierce!

Out in the Gay Southwest, Crystal recently hosted the hottest thing to come out of Italy since Gianni Versace, dance music superstar sensation Anamor, and our Cruise Camera was naturally on hand to capture the special event. Sista can sing, y'all, and you could tell from all the toe-tappin and hip-gyrating action that was going on in the audience. The divine diva spent some time with Crystal big-wigs Monsur and Zoraida, as well

as with dishy DJ Guero and thumper-to-the-stars Melissa Clinton after her performance, and she was kind enough to extend an invitation to us to visit her the next time we're in Milan - something we're definitely going to take her up on once the EU decides who's gonna own Alitalia, doncha know....We're taking Guero with us, 'cause we hear he looks really swell in a thong...Oh, be sure to partake of the party pix in the special In Focus feature of the show within these very pages that you're turning....

Back in the 'hood, EJ's hosted a super special World AIDS Day show, that just happened to coincide with the mumble-something natalversary

celebration of the one and only Alicia Dos Amantes, who our cruizy CC captured sampling a little more than frosting during the festivities. On-hand to help her

blow out the candles were tantalizing liquor gun pointer Michael and his behind-the-bar beefy busman, Nicholas, who we sampled just a little bit more of once we'd blown out his candle. Well, it was just that kind of an evening, honeys...

Over on Waugh - which is right in marvy Montrose, just soze ya know - our tastebuds were further stimulated by the sights and sounds of comely cuties Kobi and Mario, who we bumped into many, many times and quite enjoyably on our way to the bar for multiple refreshing adult beverages. Mario was particularly fun to bump into, what with the enormous...uh...buckle, yeah that's it...buckle that he was sporting just below his navel, and Cade assured us that it was all his, honeys. Now that's something for Toddicus to feature in his next set....

Speaking of sets, don't Mac and George make a perfectly matched one? We certainly think so, as do a plethora of pleasing pards that have made the Fairview fun house such a fab place to imbibe and enjoy all the hunky talents of the sports world's finest forms. So, imagine if you will - since it's a country sports bar - viewing not only the jockstrap clad Texans on the monitors, but the sight of packed Wranglers to boot. Now that's a combo that you just can't beat...sort of like Mac and George....

If you're gonna be decked, wouldn't you rather it be done by a blue blood? Well, a certain Tree of Remembrance at Tony's Corner Pocket was decked and draped by just such a pair of swells as Apollo Emperor

Jeff Willis and Gemini Empress Rose Smith of the Space City Empire added some bling and some zing to the

Yule season in honor of those that we've lost in the battle against AIDS. Personally, all it would take for us to feel really decked-out would be Jeff on our arm...or on any part of us, actually. But, that's just us...

Finally, our very dear gal pal Viviana recently celebrated the 17th anniversary of providing the community with a fun-filled frolic room in which to cavort and...well, frolic, and in honor of the event there was a very special show filled with very special entertainers. Entertainers such as the

magnificent Michael Brandon, who looked fetching almost wearing a truly chic chemise and matching pantaloons. Naturally he looked fagulous, honeys - he had a devastatingly dee-lish dude focusing the spotlight on him. For more photos of the galya, be sure to check out the In Focus feature of the big event right in this very magazine.

### Big D TEA

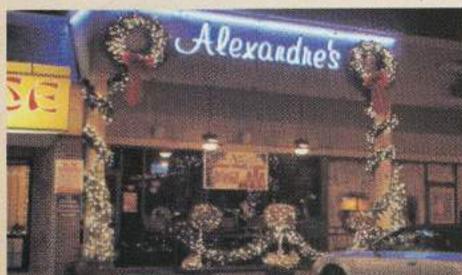

Ask us why we just adore Big D. Go on...ask us. Well, since you wanna know, one of the reasons is because of the brand, spanking (tee hee) new First Wednesdays at the Crossroads, a night to see and be seen while you shop and mingle in some of the Metroplex's finest pur-

veyors of posh packages. To inaugurate the new monthly mall-fest, who else but the dynamic and talented and not-too-shabby-a-dresser Richard Curtin of the

S4 set, who was joined at the mic by chic chanteuse and equally festive frock sporter, Anton Shaw of Hideaway fame, both of whom lent a heapin' helpin' of glitz and glamor to the auspicious occasion. And, honeys, we got ALL of our shopping done. Of course, we can't go out again until June of 2015, but at least all of you will be happy on Christmas morning....oh, yes, we shopped, babies.

In keeping with the spirit of the event, our very dear friend Lee decked, draped and otherwise dolled-up

Alexandre's to such an extent that Southwest is altering its flight plans because its pilots can't tell the difference between the club and the runway at Love. Babies, who needs halogen when you've got all that going on? The club's also got a fab fella by the name of James behind

the bar, and he's packing more than just Bev-naps and stir sticks sweeties, let us tell you. We're so impressed with his talents (ahem) that we're going to have to do a little bit more shopping to get him something really special....

Speaking of shopping, we just love going to Skivvies to do it because there's always the possibility that we'll espy a few beefcake beauties trying on some tighty-

whities while we browse for Omar the Tentmakers' latest designs - well, Thanksgiving does that to a girl. During our most recent B`n B (beefcake in boxers, for those who are curious) search, we just happened to run into the always dapper Dave and the always comely Caleb who, as far as we're concerned, both need to start modeling the latest lines of intimate apparel in the window. If you think that won't cause some major traffic jams on Cedar Springs, then you've never met Dave and Caleb. They both put the stretchability of cotton blends to the test, we assure you. Damn, it's hot in here...

Okay, now ask us another reason we just adore Dallas. Go on.....ask, already. Okay, since you insist, another reason that we love Dallas is because its clubs have dee-lish dudes like THIS tending the bar and stoking the fires that parch us to perfection and make us need a refreshing adult beverage to begin with. We used to get our kicks on Route 66, honeys, but now we just go to Mickey's 'cause this man has all the Kix we'll ever, ever need. Can we get a to-go bucket of that, please?

And while we're on the subject of buckets, there's always a lot of full ones at the Round-up for the club's Karaoke night festivities - buckets of talent that is. But no matter how much talent the club's perky patrons bring to the table, none shines brighter than the always fabulous Robert, whose hosting abilities have left more than a few ropersportin' revue-ers positively dumbstruck. We always thought it was his sense of the sartorial, but others have opined that it's what he does with his mouth

that's really impressive. And on that note, OUR lips are sealed....

Let it not be said that Lee's the only one with the decorating bug when it comes to the holidays. Oh no, honeys....Matt over at Woody's has got quite a few elfin

qualities himself when it comes to flogging a tree and donning apparel of the gay variety. All it takes is one look at the glowing palm trees and the HUGE, really big tree out on the balcony to know that the club bigwig has made a few visits to the North Pole himself. Blinded by the lights, doncha know, it took us just a few minutes to focus on our newest sistas of the soul variety upon entering the club after spending just a few too many minutes ogling the trunks....as it were. Said sistas - Tom, Jerry and David - just happened to be relaxing with Matt at the very moment - the very moment, do you hear - that we were focusing our Cruise Camera, and they are now permanently recorded for posterity. And isn't that a comfort.

Finally, our sleigh bells rang and our hearts went pitter-

patter when we dropped into JR's for a little nog the other night, being faced as we were with the fab four of Ruben, Trent, Tony and Justin that just happened to be standing around like that waiting for someone to snap their picture. Either one of the foxy fellas could make our holidays brighter, simply by stuffing themselves into our stockings on Christmas morn. Of course, they're very big stockings to handle all of their greatness....but not so big that you wouldn't notice their greatness...and such....well, you get the drift.

#### Cowtown TEA

Okay, we admit it. We've got a hard-on for Michael over at Stampede. No use sugar-coating it, no point in worrying about being censored. No, hon-

eyes....we think he's just awesome, stunning, breathtaking, gorgeous, fabulous, fantastic, inspiring, scintillating, sexy, studly and absolutely lickable. From that brilliant Pearl Drops smile and those sparkling blue eyes down to his enormous Nikes and absolutely every inch in between, he's got everything anyone could ever hope for - and so much more. You'll also notice that he's a little damp in the nether regions, which proves just how much we love the guy. All we have left to say is DAYUM! Okay, we're better now....

We told you last week that the re-opening of the 651 was bringing out folks that hadn't loved the nightlife since its closure mumble-something years ago and we were NOT kidding. Babies, when we spotted Shane hangin' on Cowboy James we thought we had been magically transported back to a kinder, happier time before there was Bush in the White House and we were free to be, you and me. Shane might have remembered those times if he hadn't accidentally bumped into a potent potable pourer and wound up with 100 proof in his glass, but we're gonna ask him about those times the very next time we see him....or he sees us, whichever is most likely to happen given his affinity for potent potables and our complete lack of reading glasses. Ahem....
