# GROOVELINES

by DJ Chris Allen

Howdy disco citizens! It's time for your weekly dose of Groovelines – your source for what's hot and hip in the land of electronic dance music and beyond.

Over at iTunes, and hot for digital download, is

*The Fame Monster* from Lady Gaga. The album will include the 4 million-selling album *The Fame*, along with eight entirely new songs. *The Fame Monster* deals with the seamier side of fame, as experienced by Gaga over the course of her last history-making year.

Says Lady Gaga, "On *The Fame Monster*, I wrote about everything I didn't write on *The Fame*. While traveling the world for two years, I've encountered several monsters, each represented by a different song on the new record: my 'Fear of Sex Monster,' my 'Fear of Alcohol Monster,' my 'Fear of Love Monster,' my 'Fear of Death Monster,' my 'Fear of Loneliness Monster,' etc."

"I spent a lot of nights in Eastern Europe, and this album is a pop experimentation with industrial/Goth beats, 90's dance melodies, an obsession with the lyrical genius of 80's melancholic pop, and the runway. I wrote while watching muted fashion shows and I am compelled to say my music was scored for them. I also composed a ballad for the album, 'Speechless,' a song for my father, and it's my favorite work of all. I wrote every piece on the road - no songs about money, no songs about fame. I wrote it for my fans, so I wrote everything in between."

*The Fame Monster* is a two-disc set with artwork shot by renowned fashion designer and photographer Hedi Slimane. The release will see two iconic covers – one limited to an initial run of 10,000 copies. A super-deluxe magazine-style edition will release on December 15th just in time for the holidays, including

LADY GAGA  
THE FAME MONSTER

extra elements and never-before-seen photos of Lady Gaga: from the artist herself and loyal fans worldwide.

*Bad Romance* was the first club-banging single and was produced by Red One. Included in the eight new songs is a duet with superstar Beyoncé, the Rodney Jerkins-produced *Telephone*. Other collaborators on the new tracks include Teddy Riley, Rodney Jerkins, Ron Fair and Fernando Garibay. For more info stop by ladygaga.com.

There are a few new compilations out there that should be mentioned. *Pacha 2010* is one of them. Packed full of dance floor fillers, *Pacha 2010* offers up 24 tracks for only \$16. You get hits from Larry Tee, Robbie Rivera, Tiesto, Fedde Le Grand, Calvin Harris, Pitbull, Guru Josh Project, and Sander Kleinenberg to name a few. Also digging the latest Strictly Rhythm release - *The Lost Tapes -mixed by Little Louie Vega*. This edition of *Lost Tapes* includes classics from Barbara Tucker, Reel 2 Reel, The Boss, Riv-

er Ocean, Androgeny featuring Michael M, and Ce Ce Rogers. Included in the package is a badass full-length non stop continuous mix that is just over an hour long. Direct from 1994! There is also a *Lost Tapes* up mixed by Tony Humphries with songs by Erick Morillo, River Ocean featuring India, George Morel, Banji Boys, and The Tribe. I am also digging the vibe on *Ultra Chilled 06*. Very nice. *Ultra Chilled 06* offers up chilled relaxing down tempo tracks from the likes of the Basement Jaxx, Timo Maas, Kaskade, Above & Beyond, Chicane, Jes, Junkie XL, Roger Sanchez, and Late Night Alumni.

Other noteworthy releases include the full length album *She Wolf* from Shakira, a new version of *Celebration* by Madonna featuring Akon, *My Hi*

## PLUMP DJs

MY HI TOPS

*Tops* from Plump DJs – the Riva Starr Acid Mix, *Don't Stop* from Annie, *Beggin' You* by Cerf, Mitiska and Jaren – the Glenn Morrison Mix, *New Society* by Starchasers – the Esquire Remix, *Havoc Arise* from TV Glory, *Atlantic Shores* by Ija – the Force 9 Remix, *Doo What?* From Kidda – the Jaymo and Andy George's Mod Mix, and the highly anticipated new full length from Rihanna – *Rated R*.

Great stuff. You'll find those floor fillers and more online at iTunes.

You can hear me play these mentioned hits and more weekly at Meteor in Houston and at Halo in Bryan/College Station. Be sure to tune into Hypersonic Radio every Saturday night at 10 pm on 101X in Austin or

# HOROSCOPES

BY JAIME

## Aries (March 21-April 19)

You have an assertive and direct nature, with the urge to be constantly doing something. Self-motivated and enterprising, you like being where the action is and taking the initiative. Naturally bold and courageous, you will often take risks and attempt things that others find daunting. You have a competitive spirit and like to challenge others mentally and physically, and you also like to set challenges for yourself. At times, you can be self-orientated and even selfish, you have the heart of a lion, but too bad it belonged to the cat in the wizard of oz ...

## Taurus (April 20-May 20)

You express your feelings directly and forcefully and it is natural for you to take the initiative in emotional situations. When emotionally involved, you refuse to take second place. You value your freedom and dislike any restrictions placed upon you. It is likely that you will control or dominate your domestic environment. Your instincts are strong, but you can be inclined to act impulsively. In the coming week you will become a master in the art of bringing change. sadly, it will be spare change, save it your going to need it...

## Gemini (May 21-June 22)

You are ardent and bold in your expression of love and sexuality. In general, you prefer to initiate romantic encounters and can be quite competitive. Love at first sight is not unknown to you. While love matters are important to you, your personal freedom is more important. Independently-minded, you react emotionally if a lover or partner attempts to restrict you in any way. At times, you can be selfish in love. After a night of wild partying, you'll finally find a safe place to lay your head. On the reassuring, cool and piss stained linoleum of your bathroom floor.

## Cancer (June 23-July 22)

You are intense, magnetic and insightful. You feel things deeply and are passionate about the things that interest you the most. Life is viewed as an exercise in survival. Everything you achieve is earned. You have great powers of perseverance and tenacity. You act with great self-assurance and self-confidence, especially in areas that are familiar to you. You have an enterprising spirit, coupled with the capability to demonstrate leadership and initiative, being emotionally tied down is not your style, you might want to consider alternatives to plans, especially if you would like to break past a pattern. Conditions are perfect this week to kick back and relax with family and all those other people who pretend to like you.

## Leo (July 23-August 22)

While you are someone who feels things deeply, you experience some difficulty expressing your innermost feelings. Rather than freely showing your emotions, you tend to keep them under control. A serious person, you know and accept your responsibilities, especially towards your family. Other people are inclined to look to you for support, as you have an inner strength and maintain a cool head under pressure. You are ambitious for success and professional advancement. Let those around you initiate plans and respond to other ideas. The role of leader seems natural, but you don't always have to follow that path. Treat others as you would want to be treated, but get their consent in writing first...

#### **Virgo** (August 23-September 22)

You are a perfectionist and you set yourself high standards, especially in your work. Intellectually, you have an analytical mind, coupled with an appreciation of order and a practical approach to things. You have a critical nature and the ability to offer constructive criticism wherever appropriate. However, you can also be over-critical or ready to point out fault. Precise and exacting work is your forte and you are exceptionally talented when attention to detail is required, 'don't believe what inspirational speakers tell you. Your dreams suck. Follow someone else's.

#### **Libra** (September 23-October 22)

You have well-developed social skills and are motivated by a desire for personal, social and relationship harmony. You prefer the company of others to solitude and enjoy social occasions and outings. Possessing a natural sense of justice, you have good powers of comparison, which enables you to appreciate both sides of any situation. This makes you gifted in the arts of diplomacy and peacemaking. You might be a little more somber than you have been lately. Let go and worry less. You have a lot of charm, which people are drawn to. "Children and animals love me." is a sweet thought for your online profile, but not so much as a legal defense.

#### **Scorpio** (October 23-November 21)

To feel whole, you need to be part of a personal union. Harmony and equality are first and foremost in your intimate relationships. You have a love of beauty and intellectual stimulation, and tend to look for these qualities in a partner or lover. You are an attractive and obliging person who has well-developed social skills. Problems can arise in your love life, if you scatter your affections or try to please everyone. There are times in your life when it seems like everything is possible — true love, compassion, chocolate flavored mittens, giant buildings shaped like lava lamps. Remember, during these times you are very, very stoned.

#### **Sagittarius** (November 22-December 21)

You are a seeker of truth, knowledge and wisdom, with a philosophical outlook on life and a deep interest in spiritual or religious matters. In your life, you will extend your personal horizons through mobility, travel and higher learning. You are open-minded, optimistic, honest and frank, but can also be over-frank and tactless. You are adventurous, high-spirited, restless and full of wanderlust. More than anything, you appreciate your freedom and have a strong dislike of restriction or routine. Liposuction? Rhinoplasty? Tummy tuck? Liver transplant. Money is tight this year. Choose wisely.

#### **Capricorn** (December 22-January 19)

You are intense, magnetic and insightful. You feel things deeply and are passionate about the things that interest you the most. Life is viewed as an exercise in survival. Everything you achieve is earned. You have great powers of perseverance and tenacity. Conflicts with others are common-place, despite your best efforts at harmony. You are steadfast in adversity and take pride in coping with life's challenges. Check out an investment instead of diving in. A parent, older friend or boss could be very touchy and difficult, you enjoy taking risks, and we enjoy laughing about them when things go horribly, horribly wrong.

#### **Aquarius** (January 20-February 18)

You have a sensitive and emotional nature with a great depth of feeling and empathy. You have genuine concern for the needs of others and possess a high degree of tolerance and a readiness to forgive. Deeply caring, sympathetic and compassionate, you tend to believe in the best of others. You have a great deal of imagination. A born romantic and dreamer, you often harbor unspoken longings and yearnings. Get ready, your fifteen minutes of fame is almost here, too bad you will sleep right through it.

#### **Pisces** (February 19-March 20)

You have a sensitive and emotional nature with a great depth of feeling and empathy. You have genuine concern for the needs of others and possess a high degree of tolerance and a readiness to forgive. Deeply caring, sympathetic and compassionate, you tend to believe in the best of others. You are on top of your game and wondering what is going on in your life. Investigate differences more openly. Making plans could be more difficult than you are aware of as you reach out to others. Tonight: Act as if there is no tomorrow, kick up your heels and let your skirt fly, up but remember to wear some panties...

# CALENDAR FOR A CAUSE 2010 INTERNATIONAL MR. LEATHER XXXI

**TWT caught up with Jeffrey Payne and his husband David Roy who have been tirelessly promoting Mr. International Leather since Jeffrey won the title at IML XXXI in May. Since then he has spent nearly every weekend at leather events around the U.S. and abroad promoting the competition and lifestyle.**

## Tell us the impetus behind founding The Sharon St. Cyr Fund.

David and I began the program "Hearing from the Heart" with The Sharon St. Cyr Fund, Inc. to raise money to assist individuals within our community who are hearing impaired with the purchase of hearing aids. Our first project has been the 2010 International Mr. Leather #31 calendars and sales are going extremely well; however, the requests for assistance is higher than we ever anticipated and they do not look like they will slow down. In response to this, David and I are issuing the "1000 in 25 Challenge" to our community: 1000 calendars sold in 25 days. As a community, when we make this goal, 8 individuals, at minimum, will be provided with a hearing aid before Christmas.

## How many people are affected by hearing loss?

31 million Americans suffer from hearing loss, yet 24 million are without hearing aids. Hearing aids are not usually covered by medical insurance companies. With the cost for one hearing aid \$1,500 to \$2,500, most people are not able to make the purchase. David and I spent \$5,000 on my hearing aids, and whereas we are fortunate that we had the money to make the purchase, there are plenty of individuals within our own community who are not able to make this purchase. Studies have shown that persons who wear hearing aids are able to hear for longer periods of time before losing their hearing entirely. Think of it as a "use it or lose it" situation. The daily use of hearing aids enables a person whose hearing loss is inevitable to hear for a longer period of time; if a person does not use hearing aids, a person loses their hearing more rapidly. The sooner we get people fitted with a hearing aid, the

sooner we can help them potentially offset their hearing loss.

I know what it is like to slowly hear the world go a little quieter every day. I relish the moments when I hear my husband, my friends and my community tell me they love me. That is why this project is so important to me. I want everyone to hear those words as long as they possibly can hear them.

## Pictures are worth a thousand words, but tell us about your calendar.

Yes, pictures indeed say a tremendous amount don't they! I first have to admit that it was outside of my comfort zone. It's one thing to have photo's taken of me for an article or as a portrait; however, posing for 12 photos and knowing they will appear on a calendar and hanging on someone's wall is odd for me. However, working with Brett (the photographer) made it a great experience and knowing that the money raised by doing this project is definitely worth it. And this is a calendar we will work to do on a yearly basis in order to promote the cause and help those persons within our community with hearing impairments.

## So people can help by just buying a calendar?

Yes!! I realize that 1000 calendars may seem like a lot of calendars and \$20 may seem like a lot of money for a calendar. And yes, this is the part where Sally Struthers would usually talk about how "For a cup of coffee a day you can sponsor a child" and then parade all the little children around her and say, "Do it for the children". I'm not going to do that. I will parade hot leathermen and leatherwomen around me though, but that has nothing to do with the selling of calendars. That's another fund raiser. . .

## Where can we get a calendar?

Calendars can be ordered online or through the mail. I know our community has 1000 individuals that are able to spend \$20. Maybe at this time it isn't you and that is understandable. But do you know of someone that is able and willing? Forward this information to them in an email and send them a link to <http://www.IML2009.com/charities.htm>. If they do not want to pay with a credit card, they can mail a check made out to "The Sharon St. Cyr Fund, Inc." to 2641 Heatherwood Drive, Dallas, TX 75228. And why stop at only one person? The more we sell, the more hearing aids we are able to purchase and the more people we are able to assist.

## Thank you.

And I thank everyone that has already stepped forward to support this cause and I thank you for helping me get the word out.

## our new Boyfriend

PATRICKMARK's Hit Calendar is a Texas original.... and one of our recommended gifts for all your friends!

Who knows the men better than 10percent Productions, one of the oldest and well-known gay shopping websites on the Internet. This year, they have tapped Austin-based photographer PatrickMark of Texas Male Photography for the 2010 edition of their flagship calendar "Boyfriend of the Month".

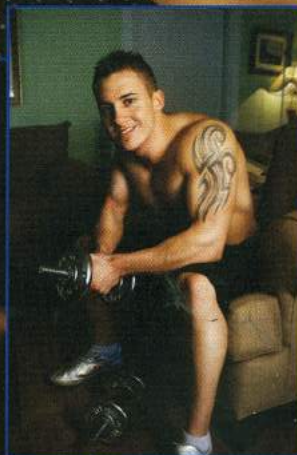

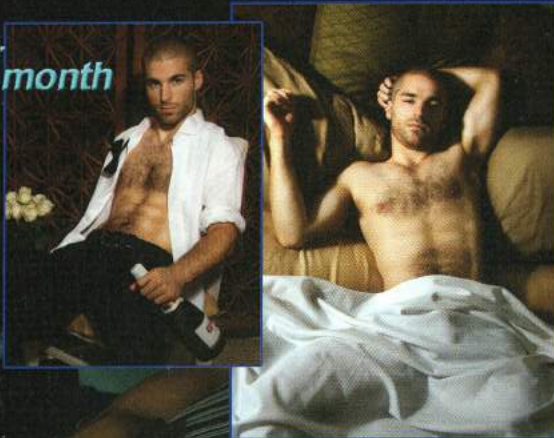

The 24 pages of full color are PatrickMark's print debut and feature work from his first year as a male photographer.

The 12x12-inch publication is filled cover to cover with incredibly hot guys from the Lone Star State including cover guy, Jonathan Smith of Austin. Jonathan was a shotguy at Oilcan Harry's when he was asked by PatrickMark to model for MANO-fAUSTIN.com.

That layout of Jonathan was picked up by blogs around the world and eventually wound up in front of the creative director for 10Percent. He then contacted PatrickMark and the end result is Boyfriend of the Month 2010 which is available on 10percent.com, Amazon.com, Calendars.com and in stock at most Texas LGBT stores.

## AB-SOLUTELY BRETT

*Brett Henrichsen Spins Thanksgiving at South Beach*

by JOEL RHINEBACK

The only thing more beautiful than Brett Henrichsen's spins are his abs. The 38-year-old head of Masterbeat.com performs South Beach's Thanksgiving Day bash on Saturday, November 28. We chatted with Henrichsen about the party, his dance music retail site Masterbeat.com, and even more importantly – how on earth he managed to build those abs of steel.

**What does a song require to be a dance floor hit today?**

Every hit has to have some kind of melody, journey and a climax that drives the floor crazy. A diva vocal screaming about joy, happiness, or breakup doesn't hurt either!

**Where do you find your beats?**

Um, Masterbeat.com of course. I try to devote a few hours a week to going through all of the new music that pours in each week.

**For those that don't know, Masterbeat.com is your baby.**  
It's essentially an i-Tunes for dance music.

**Why did the dance music need its own i-Tunes?**

iTunes is very mainstream consumer oriented. They don't carry all of the extended remixes that are released by the labels for every title or artist and they also carry a rather low-quality audio file. Even though they just upgraded their audio, Masterbeat carries full 320kbps MP3's and will soon have WAV (completely lossless) files from the major labels – being the first DSP to carry lossless. This is important for DJ's and audiophiles who want the best sounding file they can get.

**What tracks are available on Masterbeat that are not available on i-Tunes?**

Great examples are recent remix packages from U2 and Lady Gaga. iTunes will have 3 or 4 remixes, usually the radio edits, and we have 10-12 remixes of each release, and they are the full extended (8-11 minute) DJ versions you hear in the club.

**What's the hottest track right now?**

Bebe Zahara Benet's "I'm the Shit" is climbing the Masterbeat charts. I think it may be the song of the season.

**DJs used to introduce hits to the dance floor but these days it seems that Top 40 radio is introducing the hits and DJs then remix the songs.**

I think Top 40 radio is playing a big part in introducing new songs to the mainstream, and remixing them has become quite popular. But there is an equal, if not greater, percentage of dance floor hits that never get to the radio that are still broken by DJ's.

**What's an example of a track that is blazing up dance floors right now that isn't also playing on radio?**

Madonna's Celebration just went #1 on the Billboard Dance charts. I have yet to hear it on the radio. Or maybe I just don't listen to the right radio (laughing).

**What do DJs need to do to reclaim dance floors?**

Kill the internet. People don't go out to dance as much anymore. We need to get people off their computers and back into being social.

**What remixer dominates on Masterbeat?**

No single remixer currently dominates the site, but lately we're seeing Dave Aude, Ralphie Rosario, Motoblanco and Freemasons remixes consistently in our Top 10.

**How do you run Masterbeat and maintain your grueling tour schedule?**

There are actually three of me. I wish! I spend the weeks working 15 hours a day at Masterbeat and the weekends traveling.

**How many cities will you be touring this winter?**

I'm booked every weekend from now to New Years. Montreal, New York, Brussels, Berlin, Sao Paulo... I'm excited for Houston!

**You also manage to squeeze in a few hours at the gym.**

I try to make it in there when I can, but it's getting difficult! I usually work out three days a week, carefully and hard, breaking up body parts into each of those three days.

**Do you give yourself one day a week to be naughty?**

Sunday. No gym, Dominos or McDonald's, ice cream, movies and popcorn!

**What's one thing your fans would be surprised to learn about you?**

I was always going to be an attorney when I grew up.

**Favorite song to spin?** Olive's Outlaw.

**Favorite bands to chill out with?** The Fray, Snow Patrol, and The Calling.

**Guilty pleasure music?** Anything by ABBA.

**Any last words?**

Yeah. Happy Thanksgiving and check out Masterbeat.com.

**Brett Henrichsen spins the Thanksgiving Party at South Beach on Saturday, November 28 at 9pm. Visit Masterbeat.com.**

# AUSTIN TEA

Our Capitol-capades takes us this week out to Sister's Edge II where we find GM Margie and her cabaret of Capitol City Show Girls giving us mad face and lots of entertainment as Margie revamps the Mascara girls at OCH into this lovely show cast for the "Ladies Bar". The show cast members are the smashing Goldie Haynes, diva divine Simone Riviera, special guest Carlota Silkstone, and my favorite, #1 on my tranny stalker chaser list, the smashing ooo-la-la, Denise Mykles. SE2 last week did it again by packing the house and showing

Austin that they are here to stay. Lip stick kiss girls, and we look forward to more exciting times to be had at this San Jacinto hot spot.

Miss Isaac "Aye Mira" Sanchez had so much fun at Sister's Edge II that he had to go cool

off over at the Midtowne Spa and let one of the many boys fan him down. While he was there he was just barley able to snap this picture of Joshua, A.K.A. Davin from Men of Chaos, GM Alan, Shaun, and the newest staff member Marlon. Now I was personally in Austin this past Friday, and was at Midtowne to do a photo shoot with the cutie on the left end of this picture, and I know you'll be seeing a whole lot

more of him in TWT, but the sexy chocolate drop on the right end of this picture, oooo weee. this boy here already has my vote for employee of the month. Just swing by and ask him to take off his shirt, you'll see what I mean. Just scrumptious!

Over to Charlie's we rolled after the photo shoot and once again we find ourselves dickmatized by sexy Man Watch dancers. I usually go on about the marvy food and the wonderful drag, but c'mon, do you see this. Bo is hot. Hot like the sun. Hot as fish grease. Hot like a, well hot enough for me to spill the lube when I saw this hot piece of prime him. Charlie's, a great place for food, fun, and fantastically hot dancing flesh. HOT!

If your ass is not on 13th street in Austin it is most likely going to be on 4th. The first of two

reasons you would be on 4th street is Rain. Be sure though that when you go, you get there early, because you will drown in the rain standing in line if you don't. We saw many people at their glammed out wettest last Friday night at this hot little dance club defying the rainy weather, and packed the house with boys and girls alike of the gayest kind. We find Joe and Manuel arm and arm and pleased as puppies to be apart of the excitement that is Rain. Even though we haven't bumped into

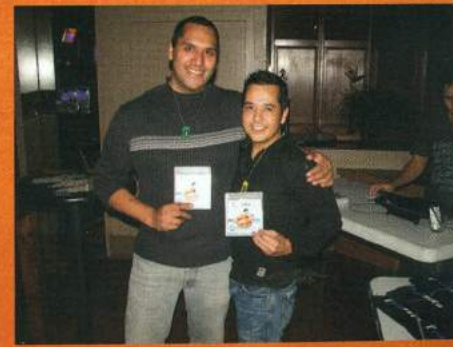

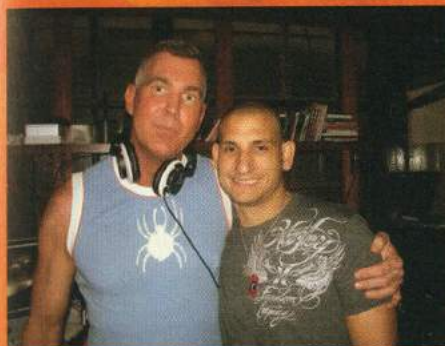

# AUSTIN TEA

to club owner Dave in some time we still know he is watching and has to be pleased with himself. We tip our hat to you Mr. P; you sure know what the kids like.

As we squeeze on out of Rain, we head to the only other reason to party on 4th street, Oilcan Harry's. Last Friday the corporate staff of TWT blew in from Austin to work along side OCH and Bad Metal Booking & Productions to host the FindFred.com Dog Tag and Sign-Up Party. This party also debut the talents of Dal-

las DJ/Promoter Paul Kraft and his new Friday night DJ spot. Here we find Bryan Konrad welcoming Paul to the DJ booth. You'll find Mr. Bad Metal, Rusty Korea alongside GM/Editor in Chief of TWT, John, A.K.A. Miss Beth, Carroll, as they were slinging FindFred swag across the house to numerous guys that are just looking for their special "Fred". The rain that night could not stop this party and hot guys clad in dog tags turned out to make this a super fun night. Enjoy some of the eye candy that packed the house last Friday.

# DALLAS TEA

We find our selves getting the low down on the ho down this week in Dallas and starting things off with a stop at Round Up Saloon. It is TWT's top 1,000 spots in Texas to get a nice cold long neck and observe the true culture Texas, the gay cowboys. You can't tell me that you thought they really meant that they were punching cows in the Wild West when they referred to themselves as "cow punchers" did ya? That's some cowboy history for you guys, and one of the many reasons we love the gay cowboy crowd. So, as we were hopping to get "punched" we made sure to have Brett document for us these fabulous pool tournament players with their big sticks.

Round Up is a great place to find fun, ice cold beer, great staff, annnd "cow Punchers".... ahem.

In this spot of tea we are gonna make like a boom-a-rang and zip on out to Ft. Worth and come back to the action in Dallas on the rebound. Out in Cow Town Mr. V swings us up on this fag-taz-matic light spinning wonder and gives us the impression

of more eye candy yet to come. Rainbow Lounge has certainly made a mark on the scene out here with some of the hottest go-go bois and patrons around Fort Worth. Here we have a perfect example of some of some of the hotness walking around in here. Meet Mr. Example #1, #2, #3, Davey, JR, and David.

Like the preverbal boom-a-rang we land right back in Dallas and head on up to The Brick. Re-Opened and stomp' in a mud hole in the scene, and from my seat they are looking pretty fantastic to me. Last week when Brett

sent us a picture of, Manager, Camille, I just referred to her as "graceful and stunning" and forgot to mention that she was running this place. That would be because I could not get over this lovely lady, and the fact I am a top

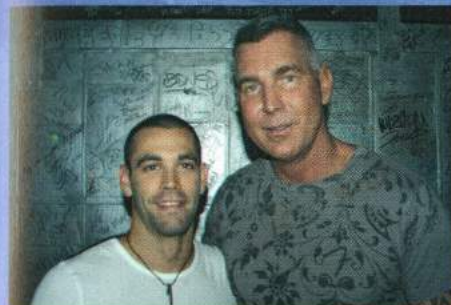

notch, 1st class, fast track, fan of the femme fatales doesn't help. So for that I'll just show

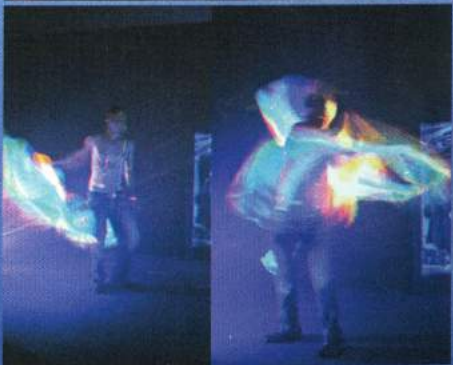

# DALLAS TEA

the other pictures I have of Camille as my screen saver. Here is one Greg, Howard, and the delicious Camille, and one of the super sister Camille and soon to have a problem if he doesn't back up off my new crush, Danny. As we hit the door we also caught Jazsmyne hugged up to Jason. Oh my, with all this sexiness going on here, I can say, this place sure can make a gurl tingle.

From Austin DJ mode to Dallas party promoter, DJ Paul Kraft jumps up to Dallas as fast as he goes from the Austin tea to Dallas tea pages. This fast track, mover and shaker unleashes

last week a mega party over at Excuses with international DJ/Producer, Seth Cooper, and his Splash Days Tour ala 2009. With so much intensity going on at this party, we just had to let these pictures speak for themselves.

# HOUSTON TEA

Black Hawk Leather is our first stop on the tea tour this week and nothing tickles us more than leather daddies and a fancy Cat o' Nine Tails. At this leather shop we run into a very dedicated member of the leather community, Odessa Oscar. When you come to this shop, only the most informative leather and leather accessories information will be shared when talking to Oscar as he has worked in this industry since 1989, and he will proudly show you Black Hawk Leather's inventory.

We dashed over last week to Guava Lamp to go see TWT's good friend, Jackie Beat. Time and time again Miss Beat has graced this nifty bar, and as always she blew into Guava like a nasty storm. Twenty, \$4 Long Island Ice Teas, could not remove the stain of this Diva's comedic parodies and stand up. We love her for it, and Woody for tolerating that crazy bitch. Like a bad case of herpes, I'm sure as I am messy, that this class act will be back in the future.

EJ's is another of TWT's favorite places to catch Divas on stage in Houston. This week we have a marvelous picture of Floor Manager John Owen and his pal Ron Wood. Every time we stop in John makes

sure we are taken care of and we adore him for it. We at TWT also wanted to give a shout out to EJ's and In n Out's bar owner, Ed Moninger. He has been jammed up in the hospital and we miss the peaches out of him. We hear that he is gonna finally make it home and we just can't wait till we see him up and running. Miss ya Ed.

Onward we venture into the night and come to a halt at TC's. This fun on the run entertainment bar sure has been turning our heads. With open Mic nights on Mondays, shows

Thursday to Sunday, plus Hot Dawgs on Sunday, we have been finding some hot wiener as well, up in this joint. I'm talking about Alvin the bartender, and Adrin. Evelyn, I hope you understand, but you are cute as a button, aren't ya. If you're looking for a place to flex your golden pipes or just want to enjoy a great show like atmosphere, this is the place for you.

As some smart ass said a long time ago, "last, but not least", we borrow the phrase and make it to South Beach as they party a hole in the middle of the good gay world of H-town as they celebrate their 8th Anniversary. All the hotties came out this night as DJ Jimmy Skinner wrecked the decks and the boyz dance the boards off the floor. It even drew visitors, fine, and afar, like this tall drink of something yummy named Andrew from LA.

# SAN ANTONIO TEA

In the Alamo city we start off our jaunt with a stop at the Bonham Exchange where we come to a rest and find ourselves in the midst of Beary Drag 2. Last week, groves of people packed the ball room at BX while this spectacular show took place. The low-irly Tencha made her appearance, as only she can, in her best Dolly Parton illusion. Then we tripped up on Tony's implants and just had to snap a picture of him

hugged up with Vinny and his boyfriend Pablo. A wonderful time was had this night at the Bonham by everyone and Tony's tah-tahs.

We headed down to the highway side of the Main St. strip, and walked into Essence to

find Therin displaying his butt for all to swat in place of Miss Mikayla Kay's, for her birthday party. This honey here has been a devoted bar staff employee, and has always been so kind to TWT, it's no wonder that owner Lyle would have a Birthday bash for such a great gal. With all those sexy boys strutting around

in their undies, I'm sure she had a hell of a birthday party. From the gang at TWT, 3 snaps in the air, and a happy birthday to ya Madam Kay.

Last week we also got the 411 on this new spot called PandoraZ and just had to go see what all that was about. Miss Mares armed herself with the cruise cam and shot up these dragtastic pictures of the show cast. These members are Mark Anthony, Shi Tim Diamond, Michael Andrews, Kylie

Crawford, and Jade Crawford. This cute little spot sure did put on a show this night. San Antonio, meet PandoraZ.

Weekly we stop in to Beat Aids and drop off books and to see our friends that use this place as a haven for comfort. We were asked by these ultra sweet, super giving, and down right special women, Grace and Esther, to make sure that you all know that Beat Aids wants you to have a safe and happy holidays.
