Howdy, Texans!

Fiesta 2009 may now be an entry in the history books, but that doesn't mean that the Lone Star GLBT community is taking a break from fun and frivolity. Quite to the contrary, huge and really big events are taking place in Austin, Dallas and Houston this weekend that are just the prelims to the really ginormous events that'll be going on throughout the summer. In Dallas, it's the legendary Purple Party – three nights of deca-dance that has quickly become a must-see event on the party circuit. In Houston, meanwhile, South Beach hosts both Fireball tonight, as well as the Osito Foundation's biggest fundraiser, Dancing Bears, on Sunday with special guest, direct from Las Vegas, Hot Chocolate. And, in Austin, it's Splash weekend – the first official opportunity of the year to show off the buff bod you've been working on since New Year's Day and, hopefully, add a little (and I do mean little) tan line to your list of attractive assets.

Picking a coverman appropriate to even some of these festive fetes proved to be difficult – until we remembered that Austin DJ and damned fine-undresser Bryan Konrad just happens to be spinning both in Dallas and in Austin, and it suddenly became quite clear. For the one or two of you that don't know – and you know who you are – Bryan is a resident DJ at Oilcan Harry's and is quickly becoming the mixmaster of choice at some of the country's top homo happenings. His talents in the DJ both extend to much, much more than 12 inches on a turntable but, for more on that sexy subject, you'll have to talk to Mr. B himself. Suffice it to say that there's a reason Konrad's nickname is Fluffy.

Rounding out our content this week are This Week's Best Bets, Chris Allen's Groovelines, This Week's Web, Ask the Man, our photo features This Week's Dude and TWT Files, This Week's Scopes and, of course, This Week's Tea. And it's all included right here in this tasteful little tome that's sized just right to be rolled up and slid into the side of your Speedo (think of the definition it'll add to all your charms)...or, to be flattened out and used as flip-flops...if you happen to have two copies. And some rubber tubing to slide between your toes...if you even lose your flip-flops to begin with.

Don't forget the sunscreen and the balloons, babies...we wanna see you right back here next week.

And, until next week...we're This Week in Texas!

## GROOVELINES

by DJ Chris Allen

Howdy disco citizens! It's time for your weekly dose of Groovelines – your source for what's hot and hip in the land of electronic dance music and beyond.

Over at iTunes, and hot for digital download, is the new full-length album from New York club icon Larry Tee – Club Badd.

This fabulous collection of awesome dance songs includes Let's Make Nasty, My Penis, Licky, Clap That Ass, My Pussy, and the Larry Tee remix of Shoes by Kelly.

Guest stars on Club Badd include Perez Hilton, Amanda Lapore, Roxy Cottontail, Princess Julia, and Jodie Harsh. Head over to [myspace.com/nylarrytee](http://myspace.com/nylarrytee) or [larrytee.com](http://larrytee.com) to learn more. Other notable releases are available from Armin Van Buuren, Sebastian Ingrosso, Boris, and Ultra Trance '09 featuring tracks by Tiesto, Benny Benassi, Deadmau5, Axwell, Ferry Corsten, Bass Hunter and Milk Inc. All that and more, this week on iTunes.

 iTunes

Over at Masterbeat.com, just waiting to suck on your bandwidth, are the new mixes of a classic we all know and love – Unspeakable Joy from dance floor diva Kim English. DJ Boris

and Filip Le Flick are responsible for the updated versions of this song. And I must say, it

is as amazing today as it was back in the day. Also digging new tracks from Ciara & Justin Timberlake, Lady Gaga, and the one and only Bob Sinclair.

You can hear me play these hits and more every week at South Beach & Meteor in Houston and at Halo in Bryan/College Station. I will be spinning

The Majestic Party, a fundraiser for AGLIFF, at the Paramount Theater in Austin on June 5th following a special screening of Priscilla, Queen of the Desert. Don't forget to tune into HyperSonic Radio every Saturday night at 10 pm on 101X in Austin or stream it live on the web at 101x.com. HyperSonic Radio is Texas's hottest electronic dance music mix show hosted by Jason Jenkins, Jackie'Oh, Toddy B, & me – Chris Allen. For more info on all of these events and happenings head on over to djchrisallen.com.

Hope you were able to make it out to WET last weekend on East Beach in Galveston. The turnout was amazing and the party quite fabulous. Props to the crew from KRBE in Houston for going above and beyond the call of duty! On top of providing the event with all kinds of giveaways and plugging it on air almost every other hour for a few weeks prior, Houston's hottest top 40 radio station assigned Jake and Crystal to bring the station's converted camper known as "The Beast" down to the island to give WET an extra special boost. "The Beast" is basically a mobile sound system. One could hear the party nearly a mile away. Host and hostess Special K and Marsha Mellow were in rare form too, entertaining partygoers all afternoon. Especially that Marsha Mellow with her new fresh out-of-jail look. You go diva. Rumor has it that Angela and Laura, the ladies behind WET, have booked Pepper Mashay for their next big party - Galveston's Pride Fest in late October. And of course, the jams were pumpin!

Deep in the heart of Texas, that is the Groovelines for now. You know the golden rule boys and girls - play it loud and disturb the neighbors!

*Remember, life might not always be the party you had hoped for, but while you're here you might as well dance.*

## Perez Hilton Celebrity Juice, Not from Concentrate

I have labored for months over whether or not I would ever comment on Perez Hilton's online presence, mostly because I really can't stand him but do recognize the fact that he is the current media whore of the moment and that he has a legion of fans around the world, many of them right here in Texas. If it hadn't been for Miss California Carrie Prejean's peroxide fume-induced response to Perez' question during the recent Miss USA pageant, I probably wouldn't have bothered. But the question, her response and the global firestorm that the event created left me no choice but to proffer my opinions of "Hollywood's Most-Hated Web Site!"

I hate it!

There, that was easy. Now, of course, you probably want to know why.

Well, mostly it's because of Perez himself. You see, I was blessed to call Los Angeles home for more than a decade, and many of my career paths while living in SoCal included mingling with the glitterati as well as the grunts of the Hollywood entertainment community. By and large, that august body is filled with some of the most talented individuals on the planet, each of whom works unbelievably hard to perfect their chosen craft – while getting scant recognition and little sustainable income for their efforts.

Amidst all of that talent, there exists a substratum of lackeys, wannabes and has-beens that somehow – through absolutely no skill or talent of their own – become more famous and successful than the most creative geniuses in town. Through a combination of planetary alignment, hidden connections not limited to the casting couch and just plain old-fashioned dumb luck, these posers actually achieve fame and fortune and (\*\*shudder\*\*) guest spots on Oprah and Larry King – the benchmarks of celebrity in these United States.

Perez Hilton is one of these fortunate few.

Devoid of anything approaching good looks (although the girl has had some work done, trust,) cursed with a voice that approaches the sound of nails on a chalkboard and possessing the fashion sense of a Dollywood cotton candy purveyor, Perez Hilton can count none of the traditional attributes or experience usually associated with greatness as his own and, yet, there he sits on Larry King, representing the voice of GLBT America as we struggle for marriage equality.

What he does have, rather, is a bitchy personality and an inordinately small modicum of humor that perfectly fits the world of Hollywood gossip – which is, by virtual definition, bitchy and humorless – and, unbelievably to me at least, the sanctioning of such respected newspapers and periodicals as the Observer, the LA Times and Forbes Magazine, which have named him and his work “one of the 50 Most Powerful Blogs,” “one sweet yet snarky, sagacious yet salacious gay man” and the “#1 Web Celeb” respectively.

And, he is successful. In addition to his uber-popular website, Ms. Hilton – in addition to his appearances as the voice of homo America – the gabby gossip has his own record and book label, and has appeared on the small screen as a contestant in MTV’s Celebrity Rap Superstar and in his very own VH1 show, What Perez Sez. And, though he has his detractors – most now preface any introduction of him with the words “whatever you may think of Perez Hilton personally” – his self-declared honorarium of Queen of All Media is pretty accurate, and his pithy prose does make one fondly remember the days when Rona Barrett’s scathing commentary was the toast of all news outlets.

But, each time I see his mug or visit his site, I keep thinking of the legion of Best Boys and Gaffers and Foley operators and production assistants and script girls and guys that will never be on TV and will never be asked their opinion of anything and will always be wondering if they can pay the rent on the first of the month and I think how sad it is that THEY have to struggle while someone like Perez Hilton just irritates the stars that employ them.

And I realize that Perez Hilton is just one queen that I won’t be curtsying for.

Welcome

PEREZ HILTON

**Taurus Famous Birthdays:** Tim McGraw, David Beckham, Lance Bass, Adele, George Clooney, Tom Bergeron

## **Aries (March 21-April 19)**

You'll need a cool head to handle all the exciting things going on around you. Some personal detective work around the office may uncover the answer to something that is disturbing you. Take the day off and relax, you've earned it. Finding someone's lost article presents many problems for you. Romance is highlighted and you'll take center stage. Virgo gives the nod of approval. The Number 22 will pay off for you.

## **Taurus (April 20-May 20)**

You may be expected to perform a few tasks which you may dislike. Watch out for bad advice from friends. Friends may be willing to help you in a constructive project. A family member will contact you in an unorthodox way. Keep your ears open or you may miss something. It's time to bear a strong shoulder for a loved one to cry on today. Check with Leo before proceeding. The Number 16 is a winner for you.

## **Gemini (May 21-June 20)**

Watch out for people who only want to use you. You'll receive an unusual gift of clothing or jewelry. Mercury, your ruler, signifies that it is not favorable for any rigorous activities. Question anything that baffles or mystifies you. The friend of a friend can suddenly become very important to you. Rumors about a loved one may cause undo concern. Taurus gives the nod of approval. The Number 12 is a winner.

## **Cancer (June 21-July 22)**

High lofty thoughts and a dramatic presence help you stand out from the crowd. Keep up the good work and you will go far. A situation may arise to your dismay at lunch time. Consolidate all your recent gains. Take care of your bills before they take care of you this evening. Love and romance should come front and center in the day's activities. Put your trust in Virgo. Watch out for the Number 1.

## **Leo (July 23-August 22)**

Persistence on a project will pay handsome dividends in the near future. Refuse to be budged from any perch you have been occupying lately, philosophically. Don't worry about studies, the concept of text will come naturally. Pesky doubts about your current relationship with a member of the opposite sex may trouble you. You'll be presented with a rare opportunity to take on a new project. Sagittarius comes front and center to help. The Number 6 will pay off for you today.

## **Virgo (August 23-September 22)**

You'll receive exciting news from a foreign land concerning your family background. Meeting a new member of the opposite sex will be exciting for you. Family objections can multiply and come through your frame of reference as limiting. Love radiates and scintillates. Supervisors, associates and co-workers are in your corner. Aquarius figures in the day's doings. Take a chance on the Number 3.

### Libra (September 23-October 22)

Set aside a night for you and a special person. Ways of adding additional space to your living environment will occur to you. There is a strong sense of adventure lurking behind what you do at this time. All usual and familiar matters are speeded up. A co-worker may cover a mistake you make. You'll receive a gift of clothing or jewelry. Taurus figures prominently in the day's activities. Today's lucky Number for you is 26.

### Scorpio (October 23-November 21)

Lay what you want right on the line and don't budge an inch. Avoid spreading gossip, for it may come back to you. Be sure your chickens are hatched before being counted. You feel excited, adventurous and expectant in your love department. Enter every kind of contest you can find. The social side of your job can be served well. Check your plans out with Libra. Cash in on the Number 17, it's a winner.

### Sagittarius (November 22-December 21)

The lunar aspect signifies joy to forgive and joy to be forgiven hanging level in the balance of love. This is an educational day, even if you occupy a rocker. Although strings may be attached in a new deal, it shouldn't slow you down. Take care of your health. Teachers aren't in your favor today. Get some advice from a close friend. Scorpio is helpful with decisions. Take a chance on the Number 8.

### Capricorn (December 22-January 19)

Trying to do the job all by yourself is unwise under the prevailing aspects. You may get your feelings hurt but don't take it too hard. Details are piling up and can overwhelm you eventually if not attended to at once! Emotions are running wild, step softly where a loved one is concerned. Don't go out with friends tonight, or you will suffer later. Cancer proves to be very dependable. Your hot Number for today is 7.

### Aquarius (January 20-February 18)

You are always the best judge of your behavior. Your hard work should win over a partner's doubts. Supervisors aren't in your corner. A former business associate may ask you a rather difficult favor. Push highly personalized interests. Decisions you make could pay off big. Cash in on personal popularity. Pisces may have some important answers. Take a chance on the Number 4.

### Pisces (February 19-March 20)

Money matters could improve faster if you work harder to achieve them. Mysteries you have been working on may be solved. You have a tendency to attempt too much hard work, as signified by Mercury. Stay home tonight and catch up on past assignments. You'll have to work out your differences with a loved one. Stay away from fatty foods. Leo plays a key role. The Number 14 will pay off for you.

DJ Bryan Konrad  
Purple Splash

If you look through the pages of this magazine, you'll notice the name Bryan Konrad coming up quite a bit in advertisements for some of this weekend's biggest events, including tonight's pre-Splash Howdy Party at Oilcan Harry's in Austin and the Purple Party's Wild Orchid soiree at Purgatory in Dallas. It's hard to believe that this popular mix-master, who hails from South Texas but now resides in Austin, probably wouldn't have rated a Hot Tea photo just a few years ago.

The love and passion for music is what brought Bryan Konrad from Corpus Christi to Austin in Fall of 2000. From an early age Bryan knew music was his life and sought out every opportunity to capitalize on his passion. Bryan began his career in Austin at the Boyz Cellar under the guidance of local Austin DJ Filthy Rich. He quickly picked up the art and technique of spinning to become the next up and coming DJ in Austin.

"I was born and raised in Corpus Christi where my love for music started me on my journey to become a national circuit DJ," states Konrad. "Following high school, I moved to Austin to get my DJ career started in the Live Music Capital of the World."

"I was fortunate enough to make friends with some of Austin's top DJ's who quickly took me under their wing to teach me the foundation I would need to become successful. I was quickly able to start spinning at some of Austin's best clubs including Boyz Cellar, The Forum, and Club Xtreme. The exposure I received by spinning at the clubs in Austin earned me the right to spin every Spring and Fall at Austin's famous Splash Party at Lake Travis."

From those Austin venues, Bryan's career began to grow and he soon found himself being sought out by clubs from the local and surrounding areas.

"After about three years of spinning in Austin, I was asked to spin at a new club in Ft. Worth, TX. The owners wanted to create a true dance club experience in Ft. Worth that would keep the young crowd rather than have them all driving to Station 4 in Dallas. The challenge of this gig was what attracted me the most and I saw it as an opportunity to build a

it as an opportunity to build a following in other parts of Texas. It didn't take long and our goal of keeping the young dance crowd was a reality."

"While spinning at a club in Ft. Worth is not a huge accomplishment, I am proud of the success we had and it also proved to be a good stepping stone for my career. Word spread quickly throughout the state about the fun new club, and it earned me a trip to Houston to spin at a Spoiled Boyz event."

Soon after, Bryan played his first major event - the quintessential circuit party itself "SPLASH", hosted in Austin over Memorial Day Weekend. Since then, his music has helped him travel the state of Texas and Bryan has DJ'd in every major city in some of the most popular venues for some of their biggest events: South Beach and Meteor in Houston, Alameda Theater in San Antonio, Texas (T-Dance benefiting AIDS Services of San Antonio) and, of course the ever popular Purple Party in Dallas, Texas.

Bryan Konrad's love for music doesn't stop at the DJ booth. In addition to spinning he is continuing work on his next step in furthering his career - learning how to produce his own music. He is always looking to meet and network with other DJs, and collaborated on some tracks with LTD (Licious The Diva) and Remixer/Producer Scotty K in 2007. He hopes to take all that he has learned from these great DJs and produce his own sound. So keep your ears open, you never know when you might be dancing to one of his tracks.

Bryan really loves meeting and talking to his fans, so don't be shy if you go see him spin. One of the things that he has always loved about the DJ profession is that DJs pride themselves on being sociable and easy to approach.

Currently Bryan can be found spinning the latest mixes at Oilcan Harry's, where he has been a resident DJ for many years. Look for Bryan this weekend in Austin and Dallas, or visit his website at [www.djbryankonrad.com](http://www.djbryankonrad.com)

# CHOCOLATE DELIGHTS

Hot Chocolate Performs Osito Foundation Benefit

By Max Jackson

Larry Edwards, AKA Hot Chocolate, made his name portraying Tina Turner in the wildly successful Las Vegas stage show, *An Evening at La Cage*. The performance was praised by millions and led to Larry being featured on TV shows like *Entertainment Tonight*, movies including the Academy Award nominated, *What's Love Got to Do With It*, and most recently, music videos! He'll be featured in singer Katy Perry's next video.

After ten long years, Hot Chocolate finally returns to Houston Sunday, May 3 to perform at The Osito Foundation's Dancing Bear Party at South Beach, benefiting children impacted by HIV/AIDS.

**Have you ever kissed a girl?**

*Oh yes, I have kissed a girl but a mustache feels a lot better than cherry chapstick.*

**Of course we ask because you just completed filming Katy Perry's latest music video!**

*What a fabulous experience! The song is called Waking up in Vegas and is scheduled to premiere April 21st.*

**Is it true you filmed a biblical Last Supper scene for the video?**

*We were four female impersonators portraying female icons at the table of the Last Supper. I was Tina Turner. Derrick Barry was Britney, Kenneth Blake was Dolly Parton and Ryan Fink was Reba. The producers actually shot two Last Supper scenes. One with us and another with Elvis impersonators. We are waiting to see which version the director will use for the final cut.*

**There's a chance your scene won't make the final cut?**

*Oh yes, there's always that chance. The directors aren't sure what fans will think of female impersonators at a Last Supper scene. It's pretty scandalous.*

**They should know drag queens are in! What did you think of RuPaul's Drag Race?**

*RuPaul's Drag Race is an awesome show. It's made a lot of middle America aware that female impersonation is an art and not a lifestyle. Hats off to RuPaul and all the contestants.*

**Who were you rooting for?**

*Bebe is a very good friend of mine. I was so happy she won! I judged her at a pageant a few years ago and we've become close friends ever since. She calls me her Drag Mama.*

**Why do you think she ultimately took home the crown?**

*Bebe is so caring and giving from the heart and it shows. To know Bebe is to fall in love with her. Do you know she made a special BeBe original wig for me? I just love her so much.*

**What has the success of the show meant to the drag community?**

*RuPaul's Drag Race brought the art of female impersonation mainstream. Business is booming for flawless female impersonators.*

**We're excited to welcome you to Texas!**

*I'm thrilled Charles Armstrong is having such a great event at South Beach and so thankful to Randall Jobe for all his hard work. They are both great friends.*

**You'll be appearing at The Osito Foundation's first annual Dancing Bears benefit event.**

*The Osito Foundation is very important to me. I have had several close friends pass away from AIDS. My dearest friend and Houston roommate, Otis James, passed several years ago. Otis adored teddy bears. I once had a special bear made for him. It was a David S. original. I'm performing this event in honor of Otis and my other dear friend who passed, Naomi Sims.*

**How did you become involved with The Osito Foundation?**

*Founders Rod Castle and Oscar Velasquez approached me several months ago and asked me to perform. I told them I'd be honored to be involved.*

**Why is giving a teddy bear to children with HIV/AIDS important?**

*A teddy bear offers comfort to a child when he or she needs it most.*

**What can we expect from your show? What should fans prepare themselves for?**

*My friends and fans should expect a top notch performance from Hot Chocolate. As Tina says, "Simply the Best!"*

**What's the first thing you'll do when you land in Texas?**

*Getting my luggage darling...getting my luggage is always the first thing. I'm nothing without my wigs and make-up!*

**Where can we buy tickets for the show?**

*Tickets are free but in limited supply! You must get them at South Beach or JR's. Or better yet, contact the Osito Foundation to be added to the list! The e-mail is [Osito@ositofoundation.org](mailto:Osito@ositofoundation.org) and let them know Hot Chocolate sent ya!*

**The Osito Foundation's Dancing Bear Benefit takes place at South Beach on Sunday, May 3rd between 5pm-8pm. For free tickets, e-mail [Osito@ositofoundation.org](mailto:Osito@ositofoundation.org). Visit [www.ositofoundation.com](http://www.ositofoundation.com)**

# ASK THE MAN

## Dear Man:

I'll get straight to the point! My neighbor's have an 18 year old son. My partner was out of town on business and his family went away for the weekend. Their son could not go due to a school obligation. Well, I was out back laying by the pool when he called out to me over the fence. I invited him over for a dip and he raced inside his house for trunks. He came over and dove in. I was drinking some beers and getting some sun so he asked if he could have a beer. Well he wasn't going anywhere that evening and I know his parents allow him to drink at home so I gave him one. Back to the point, one thing led to another and we had sex. It was his first time with another man. He told me he had always fantasized about me doing things to his body when he jerked off at night. It was wonderful. Now, I love my partner with all my heart. Should I tell him? It has not happened again since that day and I made it clear to him it would never happen again. What would you do? Daddy in Denton

“...the risk of being caught..”

## Daddy

*What a pickle you have gotten yourself into. I don't know what your partner would do if you told him. What do you think would happen if you came clean? Would it end your relationship? Cause him to go and have a one night stand, claiming, tit for tat? Sometimes it is best to just keep your mouth shut. Hopefully your neighbor's son will keep his mouth shut also. I'd hate to be in your shoes and have his father come over and confront you about it. I hope this doesn't eat up at you inside much.*

## Dear Man:

My partner and I are exhibitionists! We love to have sex outdoors and love the risk of being caught. Yes, we know it's dangerous and can be damaging to our livelihoods. We both have high end professional jobs and it would be damaging to either one of our careers, but we can't help ourselves. The riskier, the better. We've even had sex on an overpass while cars have driven down the highway below. The rush is out of this world. Do you know anyone else who has this problem? We would honestly like to meet other people who share in this type of behavior.

Exhibitionist in El Paso

## El Paso

*So you and your partner both have jobs that could be jeopardized by what you are doing? Are you crazy? Now, I'm not passing judgment on both of you. Cut it out. Go off camping and go deep in the woods where no one would come across you and go crazy. Go to a nudist camp and go nuts. There are plenty out there who I'm sure would welcome you with open arms. Watch out because you know big brother, the police, is always watching out for people who do these things. I'd hate to see you on the news.*

**Want your questions answered honestly? Email me @ MRTWTMAN@AOL.COM and I will be more than ready to give you what you want. Don't want to hear the truth? Move on and just enjoy the letters sent to me. Happy Reading! And until next issue...Play Safe!**

## AUSTIN

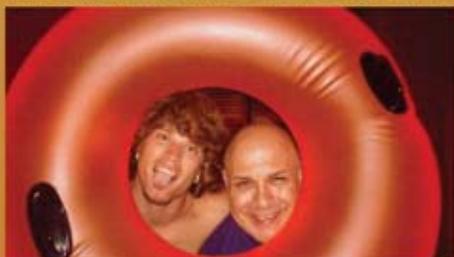

We received so many IM's and e-mails over last week's revelation

that the incomparable Cyndi Woods did a special guest stint over at Charlie's with her longtime best gal pal Jame Perry that we felt compelled – compelled, do you hear – to provide you and yours with a fab photo of the auspicious event. Yes, honeys, that's the diva in all her radiant glory, showing off the curves that have made her to toast of a half-dozen states and the Commonwealth of Puerto Rico. The sassy sista

told us that she had recently spent almost a thousand bucks for a new mattress, but it's as plain as the areola in your face that absolutely none of that stuffing went into Ms. Woods' wardrobe. Ahem.

Speaking of wardrobes, you don't need much of one for this weekend's uber-hot Splash Day at Lake Travis...just a simple T-back, some flips and perhaps a modest flotation device like the one that Quintin and Isaac discovered while rummaging and foraging through the backroom where we keep our cot at four in the morning when we were trying desperately to catch a few zzzzzzz's before the club's early morning opening. As distressed as we were about losing precious moments of beauty sleep – 'cause, babies, we sure need it – we took comfort in the fact that Quintin had removed his stage briefs

and was wearing nothing but a dazzling white smile. Talk about swingers....

And while we're on the subject of swinging, we've always thought that spending some time on a jungle gym with Rain's Promotion Director Bobby Cook would be a pretty fantastic way to spend a week or two, but the handsome hunk is always so busy with the club's festive fetes and such and so forth that he rarely has time to consider our offer. Between all of his too-too-hard work in

organizing this weekend's water wonderland and his toiling oh-so-very hard over the packed pouches of the contestants in his Thursday amateur strip contest, we consider ourselves fortunate

that he was even able to stop for the second or two that it took for us to snap a Cruise Camera photo of him. Guess we'll just have to be satisfied with stolen glimpses of his fab form and all his assets on the party barge...

Finally, never let it be said that Rainbow Cattle Company is just a country bar because... well, because it's not. In fact, with a Ladies Night featuring Hip-Hop and Dance on Thursdays, Mixed Music Fridays and Latino Night on

Sundays, it's quite obvious that there's something for just about everyone to enjoy at the Fifth Street funhouse. Though, while we love ladies and mixed music and even a little salsa y picante every now and then, there's only one thing that the club needs to provide for us

to be completely satisfied – namely stud god Sam, whose pouting pecs and packed pouch have been known to raise a lot more than just our expectations whenever we have the pleasure of bumping into him – and TRUST, that is truly a pleasure!

# DALLAS

Before we write another word, please run – don't walk – to Mickey's immediately, if not promptly, to participate in their Meet the Hosts (of One Night in Bangkok) swell soiree, going on even as you read these very words on this very page right here. The banging takes place at the Brick tomorrow night, but Mickey's likes to get things rolling really right with this pre-event shindig that, like the big event on Saturday, benefits the Turtle Creek Chorale, Dallas' very own ambassadors to the known universe. Trumormongers are mongering that the TCC's featured member for the month of April, Randall Miller, will be on-hand...and the set of pipes he has on him you just wouldn't believe....

Speaking of unbelievable, we couldn't believe our luck the other night when we happened to fall on the floor at Rush and regained consciousness with our eyes focused on the delectable delights contained in the shorts of soccer studs Matt and Heath. It's all about the angle, doncha know. At any rate, these two awesome athletes had just rigorously competed for some cup or another, and were taking a few moments to cool down at the Lemmon libation lounge, all the while providing us with a view that real estate agents have been known to kill for. We just loves 'em all schweaty and such....

And while we're on the subject of schweaty, we've been known to get damp whenever stories about the hugely successful love life of our youth are bandied around the bartop,

so you know that there's always a deluge whenever we're in the same room with Illusions very own James. James, you see, was there during most of that success, and his memory is even more vivid than ours when it comes to recalling our ribald romps. Notice, if you will, the smiles on his and Audrey's and Montana's faces – proof positive that our stories satisfy more than just our memories.

And satisfaction is just what we get every time we go to Outlines to stock up on our favorite lines of intimate apparel, especially if we have the undivided attention of the boutique's buff boy Jeff, who just happens to be our featured This Week's Dude. He really knows how to make a man feel good about him-

self, complimenting at just the right time and overlooking some obvious defects to point out what's right about a thong, not what's wrong. Which is one of the things that Joey loves about him, too.

Finally, on the topic of love, it's easy to see why Ivana Tramp is so smitten with her beyorgeous boy toy, Vadim, but it's not as obvious as the delight the divine duo experienced while supping at Hung Dinger the other night. Ivana told us that she had the Clay Aiken Fettuccini Alfredo, all drippy and

cheesy and covered in creamy sauce, which suddenly reminded her that she had some new cream at home that she was just dying to try out on Vadim and, before you could say Hung or Dinger, they were both out the door...leaving us to gnosh on the Boy George Ravioli Sausage...it wasn't Vadim, but it was really tasty.
